LAUNCHING A NEW WEBSITE...

In my first editorial this year I mentioned that the SFL Board and Administration have worked in the offseason facilitating some key reviews with some important outcomes.

Radio – We have a new look team both for the Saturday broadcast match and Sunday radio show while investing in new equipment has meant a more polished broadcast.

Football Record – We introduced different colour covers for each weekly edition along with photo pages, feature stories and media tipster section.

Website – Courtesy of SportingPulse, the SFL will launch a brand new custom built website next week.

We are very excited about this initiative, we truly understand how important this platform is for our Marketing and Communications where we average over 500,000 website page hits every month!

We have aimed to build a website that is easy to use, clear and concise in content, functional with modern plugins and informative with SFL news.

I wish all the clubs the very best for this weekend and enjoy your break the following weekend.

Go out and play well!

A rough design concept of the new SFL website.

KooGa PLAYER OF THE ROUND

Sam Anstey
MORDIALLOC

Sam Anstey played a strong game for Mordialloc in their win over Bentleigh on Saturday. Playing four solid quarters, Sam was able to get the ball out of the centre and continually drive Mordialloc into attack, and he was also able to help out the backline when needed. Sam combined well with other centre line teammates and is one of the reasons Mordialloc are having such a successful year.

ROUND 8

Division 1: The Inner Sanctum / Jason Barbin

INDIGENOUS round saw plenty of action as one team had their first loss of the season while others made their claim for finals action.

East Brighton got their season back on track with a resounding win against East Malvern at Dunlop Reserve. The Vampire midfield clicked into gear as they started to look like the team that won the flag in 2012. Dean Francis kicked 2 goals in his return game while Toby Mahoney kicked 4 in a best on ground effort. Mitch Ferguson was among the best for East Malvern.

Cheltenham continued in their quest to make finals with a big win over Highett at Jack Barker Oval. The Rosellas were in control from start to finish as the team put in a big effort all over the ground. Chris Graham again dominated up forward with 9 goals while Jack Worrell was displaying his class in the midfield. For the Doggies Beau Jedd was their best.

Clayton solidified their spot in the top 4 with a comfortable win against the ever improving Heatherton outfit. A 33 point half time lead for Clayton was enough to hold onto the win even though Heatherton won the second half. Tim Edwards continued to impress up forward with 3 goals while Michael Collins was Heatherton's best with 2 goals.

Old rivals St Kilda City and Chelsea Heights locked heads once again at the Peanut Farm in an important game for both sides. It would be Chelsea Heights to continue their good form with an 18 point win. The

Saints were looking to fight their way back into the top 5 and while this loss is a step back for them, finals footy is still an achievable goal. Steve Arvanitis was dominant for the Saints with 2 goals and plenty of hit outs while Chris Mouritz had his best game of the year for the Heighters.

The match of the round featured the two remaining unbeaten sides as Dingley took on St Pauls. A tight contest all day saw St Pauls come away with a 12 point win and continue their unbeaten start to the season. Their midfield was just a little too strong for Dingley but the Dingoes can hold their heads high as they never gave up as they kicked 6 goals to 4 in the second half. Without Luke James at full forward, Callum Cathcart stepped in nicely bagging 5 goals while Jackson Peet had 3 for the Dingoes.

The season continues and as we go into round 8 its make or break for teams trying to finish in the top 5.

East Brighton vs Clayton

East Brighton host Clayton in a game that sees 4th spot on the ladder up for grabs. The vampires really hit their straps last week so look for them to continue that form. Clayton have been solid in putting together good team performances and they will give a good showing against the Vampires.

East Brighton by 27 points

St Pauls vs Highett

The battle of the dogs takes place at McKinnon Reserve this week and it looks like it

could be a one dog affair as the St Pauls juggernaut rolls on. Highett have struggled this season and just haven't looked like kicking a winning score. Expect them to struggle again this week.

St Pauls by 49 points

St Kilda City vs Dingley

A must win game for the Saints as they tackle a Dingley side determined to get back on the winners list after suffering their first defeat of the season last week. Though still too early to tell, a loss here for the Saints and finals might be out of reach. Big game.

Dingley by 14 points

Heatherton vs East Malvern

Potentially the game of the round, these two sides match up in what should be a pretty good contest. Heatherton have improved greatly on their early season form and will be itching for a win. East Malvern have been disappointing the last few weeks and a loss here could spell trouble.

Heatherton by 5 points

Chelsea Heights vs Cheltenham

Two teams quietly going about their business meet in a round 8 clash that looms as an important one for the Rosellas. They have a chance to jump into 4th position with a win and with a full forward that is on fire and a midfield that is just starting to show their potential they could cause an upset here. Game of the round and will be a close one.

Chelsea Heights by 2 points

CHELSEA HEIGHTS

No matter the ladder positions it's always a challenge against St. Kilda City at the Peanut Farm & it showed with the boys feeling a bit flat and starting slow. The ruck contest was a huge factor with our 3 big boys (Smith, T-rex & Bennett) up against Godzillarvanitis. It was a tight contest for 3 1/4's & a big last 1/4 effort was asked for from the lads who responded! Gilly, Attard & Jordy especially on fire in the last. Marksy & Mozz were good all day & Manders continued on with his goal kicking ways. Good win.

The Magoo's started well & the pressure from both sides was intense. We had plenty of it early but turned it over too often & we were down at the 1st break. 2nd & 3rd 1/4 showed us lift a cog or 2 & Pottsy asked for the boys to run themselves into the ground with the reward being a comfortable win

in the end. Basto & Heata controlled down back with Daz, Washo, Thwaites & Hanns good all over the ground. Arod's team footy was great.

The 3's ventured to South Yarra having to win or dropping a fair way behind the top 5. Same old story before the game. Late withdrawals or 2's call ups, but as usual, the boys that were there had a massive crack! An 8 goal to 0 1st 1/4 set the game up, and although there was some ups and downs in the middle, we ran out comfortable winners. The bookends were superb with Flacky kicking 9 & Benny Campbell stopping as many.

Smut's Colts are the latest of our sides to be on the end of the injury stick and went down to ladder leader Skye. There were plenty of positive signs to come out of the game with Tarry, Jakey, Brodie, Swany & Katty all continuing on with their good form.

CHELTENHAM

A big day down at Jack Barker Oval last Saturday with a Roast-style Luncheon honoring/hanging poo on two grand club stalwarts in David Selleck and David Kilburn. Massive crowd was in attendance and many a long tale was told. Congratulations to Slick to being awarded a well overdue Life Membership to the club.

On the field, it was a relatively good weekend with both the Seniors and Reserves saluting against local rivals Highett, whilst the Netballers moved up to second on the ladder with a big win over Mordialloc.

The Seniors played a good brand of footy against a struggling opposition and we will need to take that form into this weeks clash with Chelsea Heights.

A big test indeed, but one that we are more than up for.

The Reserves also did what was required against the Bulldogs and displayed a great brand of attacking, team orientated footy. Good to see Bangers back and amongst the goalkickers with a lazy four.

Knopey's Chieftains had a disappointing result only managing the two goals against a well drilled opposition in Skye. Time is running out for us to get on a winning streak capable of propelling us into the top five, but the endeavour and effort is there.

UPCOMING EVENTS:

Mid Year Masquerade Ball – Saturday 1st June, 7:00pm, Doyleys Bridge Hotel.

CLAYTON

ABC (Australian Bullion Company): On a day when all our sponsors attended to celebrate our annual sponsors day, it was a pity we could not send them home with a bigger smile. Yes we won and congratulations to Heatherton who put up a great effort all day. For some reason we could not break away from our opponents and there was no big last quarter. Alex was a focal point up forward and whilst he kicked 3 it could have been six. Johnno was great all day and Nathan and Joel from the U 19's were also very good. I cannot remember the last time both Macca and Richard did not play in the side. The next month is a great challenge as we play three top sides and this will show how far we have progressed this year. East Brighton away

is always difficult and the boys must come ready to play.

PJM ENGINEERING: Reserves: Big win against a depleted opposition, as the lads pile don the goals especially in the third quarter. Nathan and Corey kicked a few and Juzzy showed he was ready to go up. The real test will come in the next month as we play sides above us. We must get to training on Tuesday, otherwise we will not get any better.

CWB: U19'S: The lads had a bye, so let's back on the winning track.

Netball: The girls had another good win and looked great in their new uniforms. Keep it up girls and we welcome any girls who are interested in taking up netball to make contact with club.

Social: The Annual Ball will be held on 1 June at Milanos in Brighton. Last year was a great success, so please book a ticket or book a table. Its never too late.

Sponsors: We thank all our sponsors for your wonderful support and thank all those sponsors who attended last week. A great turn put on by Robbie and Benny: ABC, CWB Meats, PJM Engineering, Chemist Warehouse, Lunico Hotel, CBJ International Print Group, Clayton TAB, Russo, Pellicano Carlei, Solicitors, State Gas, Wine Angels, Mark Pearce, McDonalds Real Estate, Briner ads, Modica Travel service, Hair at 104 Imbranos hair design, Noble mens hairdressing, Costa Vlahos – Commonwealth Bank.

Division 1: Club Notes

DINGLEY So close, and, tantalisingly, also not so far away. A magnificent game of SFL football witnessed by the biggest home and away crowd in years saw two well matched teams with very similar game styles fight hammer and longs to the end. At the conclusion it was the better execution skills by hand and foot and a few less unnecessary turnovers that saw the Doggies prevail. The visitors may rightly claim to have had a few stars missing, but it would be fair to say that Dingley would also be a better team with the inclusion of Sawers and Ball. Whilst there was obviously disappointment in the result, there was nothing to suggest there is a chasm between the teams that cannot be bridged, and heartening also was the fact

that the reserves won a tight one, showing that the sides' relative depth is comparable. The important thing now is not to let our guard down in the two games scheduled to complete the first round, as they are both against teams also laying claims to being end of season contenders.

It's worth mentioning how well the club as a whole is travelling, as apart from all four football teams being at or near the top of their respective competitions, Division 1 and 2 Netball are both ladder leaders, with the Divvy 3 girls being a little bit off the pace but still competitive. On that subject, a big welcome back to Rohan Watson, who ran around in the twos last week after a few years' hiatus in other parts, and no doubt has his

sights set on higher honours. Matty Morwood will be guarding his #13 jumper jealously.

After our hopefully successful hit-run visit to the Peanut Farm on Saturday, it's back to the Dingley International to sample one of our major sponsors' wares. All welcome, and bring your rewards cards.

Other valued sponsors: Bendigo Bank, Woolworths Dingley, Carlisle Homes, Top Cat Safety Rail (CSR Australia), Tranzworks, Adriano's Pizzeria, Bakerlec Electrical, Braeside Pest Control, Control Bin Hire, Din San, Everything Glows, Hoade Drainage, Jayco, Macmor Electrical, Rix Roofing, Rhino Temporary Fencing, Vitamin You, Dingley Village Chiropractic, Lyttletons.

EAST MALVERN Seniors:

The Senior side were outclassed by East Brighton on Saturday with the injury list really taking its toll. Matt Carroll lead from the front in an effort to inspire the group but there were far too few winners over the ground. It was mostly the usual suspects in the best including Johnno, Dela, Tractor, Isaac. Guy had one of his best games for the club. Individual goal scorers included Tractor, Isaac and Jase Stewart. This week we travel to Heatherton where we hope to

notch up our second win of the season. All players need to prepare well and come to the game with the right attitude and intent to take away the 4 points. This is a must win game for the club. Go Panthers!

Reserves: The reserves returned another strong performance on the weekend but were unable to come away with the win. The game was in the balance at ¾ time but we were unable to sustain the momentum getting run over by 4 goals. All regular reserves players should get down

to training to ensure they have enough fitness to run out games. Best players on Sat included Alex Lamborn, Benny McIvor, Alan Chung, Brad and Duc and Adrian. It was great to see Alex down at the club again. He showed that he hasn't lost any of his goal sense.. Alex was a handful for the opposition kicking 4 while Benny and George helped themselves to a couple of goals each.

HIGHETT Highett visited

Cheltenham without any joy when our two teams managed only 51 points while the flying Rosella's got to a total of 332. There was however an enjoyable lunch for Roslyn who was filling in for Elle at Chelt's lunch to inaugurate a new life member and tell some funny stories.

New player Aaron Verbakel played both games, thanks mate and we welcomed back Junior Chris Cadler who helped out the Seniors while Peter Revell returned and kicked one third of the Reserves score, joined by a couple of long time troupers (see results). Yes, both teams are doing it tough, so that is the time to stick fat & keep your heads up. Fake it til you make it boys! Injuries have taken almost half a team, so each & everyone needs to step up and not just wait for a better day. The fact that only six Reserves players attended training last week does not help meld them together as a team. It is a winter game so does not shirk the issue. Contact your coach if you cannot attend. We need to know you care because we care about you!

Don't forget your Doggie ticket and start planning your Miss Highett outfit for 24th August.

Sponsors day is June 15 so please book for lunch. (no pay for Sponsors) but all are welcome at \$25.00 per head.

Division 1: Club Notes

ST PAULS SENIORS – Sponsored by Merkon Constructions: A 12 point victory against the hard running Dingoes was achieved on the back of a fabulous 4 quarter performance by Gilbo in the ruck. The big fella was everywhere and took 6 crucial last quarter marks to ensure the win. At ground level Cal Cathcart showed the crowd what all the hype was about with an exhilarating display of lateral agility as he slid through Dingley's defence with 5 majors. The MAC brothers were also back to their best with T-Mac adding some extra steel to the last line where he & Kenney combined with devastating effect.

Reserves – Sponsored by Total Waste Management: The boys suffered their first defeat but will still take plenty of positives from the loss. To keep Dingley to 2 goals after quarter time was a great effort. Ben McCarthy was brilliant at CHB and got

up as high as Leon McMahon on several occasions to spoil and mark. Brown's form line is rising and his ability to run and break the lines time after time earned him a BOG. A last quarter 3 goal cameo from Jazza Blenkinsop almost got us over the line but we fell short by 5 points

Under 19's – Sponsored by the Pearo's Plumbing: The game was a close hard fought contest played in the right spirit on the back of the Dingley coach's offer to play 17 a side which was much appreciated. Tall Timber Roberts highlighted his importance to the team taking 18 marks and doing it all over the ground. Connor Wilson was equally as impressive in the air whilst Whispers and Numbers had breakout games. The end was extremely disappointing and hard to accept but from the Coaches, the belief is still there.

Netballers - St Paul's V Mordialloc –

Sponsored by Eva Rose Hair Salon (36-25): The girls were eager for a win after only just beating Mordialloc by one goal in the first round of the season. We gained the lead quickly and kept widening the gap to win by an impressive 11 points! Through the mid-court Sam Hunt (WD) and Amy Burns (C/WA) performed countless intercepts to keep possession. Eliza Barnes (WA/GA) agility is crucial allowing her to move down the court to feed the ball quickly into our goal circle whilst Meagan Taylor (GS) and Melissa Anderson (GA/GS) consistently work well together under the ring. Great work today St Paul's!

SOCIAL: Don't forget sponsors day this Saturday in the club rooms and also trivia night on 15th June

Thank you to everybody for their work this week and particularly Maree McMahon for the delicious soup on Tuesday night.

Seniors report by Gav – Sponsored by Elwood Community Bank: After a strong win against Heatherton it was good to be back on the winners list and the challenge to the playing group was to see if we could string some victories together and build some momentum through the middle of the year. Chelsea Heights would prove to be a tough opposition as they were runners up

last year and were just starting to build some momentum as well. The game was hard fought and free flowing in ideal conditions at the Peanut Farm and at three quarter time the game hung in the balance. We were one goal up and having been in the same position recently it was our chance to take the next step. Unfortunately we couldn't and Chelsea Heights got on a roll and kicked consecutive goals against us. Gallant efforts don't count for much anymore when you come up short four times for the season now. The simple fact is that we are not strong or good enough for long enough, and we need to develop some resolve if we want to start beating the top teams. Dingley this week provides us with a chance for some redemption.

Reserves report by Blunners – Sponsored by The Inkerman Hotel: After a big confidence building win against Heatherton last week, we set ourselves up for a strong showing against Chelsea Heights. Leading at quarter time and only six points down at half time the 'ressies' were pleased with the intensity

and application we were playing with in the first half. Unfortunately due to some injuries and a big drop in intensity our third quarter was disappointing and we let go of the game. The last quarter was much tighter and with some more accurate kicking we could have kicked 5 or 6 goals. Credit to Chelsea Heights who gave us a lesson in how to play four solid quarters. They hurt us with the number of turnovers they pressured us into making. Our best performers for the day were Juzzie against his old club, Dean Davis and Samer both down back and Ben Frazer who continues his improvement up forward. This week we welcome top of the table Dingley, against whom we must produce a much stronger four quarter effort.

Netball Report: Tough losses for both our netball sides last weekend but with their first match at the Peanut Farm this weekend we hope that the home crowd will spur them on towards a couple of big performances against the powerful Dingley sides.

Go City!

HEATHERTON Reserves - Another tough day at the office for Coach Cragg. Headed off to Clayton last week and had a full complement of players. Some guys even missing out on a run. Difficult to find a lot of positives for the day as the Turnners were blown off the park in a complete demolition. Seemed like the Clays had 30 players on the ground as our boys were continually having to chase backsides. Positives during the week at training with numbers slightly better.

Need to keep up this attitude for wins to come in the near future. Get around Glenn and support him the best way possible

HFC-Seniors - A lot of positives to find from last Saturdays effort. With a little luck a win may have been achieved. The Coates boys added some injection into the side. Players chased and harassed the opposition forcing mistakes. "Starkes" led from the front in a polished display all day. The 100 year strong Turnners

will have learnt a lot from last weeks effort and will have some self belief. The boys need to carry this on for the ensuing weeks. This week sees us host East Malvern. If the players can put a four quarter effort in then a win maybe achieved. Need as many supporters as we can get in the rooms after the game if the win eventuates as some assistance may be required in singing the Turner song. Bring it home boys and raise the rooms off our clubrooms...Turnners 1913-2013.

Division 1: Club Notes

EAST BRIGHTON Reserves:

Good to get dry weather at the Dunlop Reserve and the ground was in good nick. The team got off to a good start but then went to sleep for 2 quarters allowing East Malvern to dictate terms. Not enough accountable football, too many loose players and a reluctance to work hard enabled East Malvern to pinch the lead at the last break and almost steal the game. A wake up at ¾ time saw the balance return and the team ran out comfortable winners. The East Malvern side could take quite a few positives out of the match but the lazy attitude shown by the Vampires won't be rewarded against better teams.

Seniors: Inaccuracy has plagued the team for years now and last week was again no exception. Overall it was not a good performance and although you'd take an 80 point win most times it was the method not the result that was most disappointing. The team controlled the ball for the bulk of the game but overused it and butchered entry into the forward half. It was dumb football often blazing away and turning it over across half forward. Even when entry was efficient chances were squandered through missing easy set shots. This week against Clayton there will not be the same latitude so the level of efficiency will need to rise by a fair margin if we are to force our way back into finals contention. This is

an opportunity to win against a team above us on the ladder, something yet to be achieved all year. The next 2 weeks are crucial.

Division 2 Preview / The Footy Tragic

WELL my expert status was restored (for one week). One winner this week! The teams in the Top 5 swapped positions but now have a 2 game break on the teams outside the five. Not impossible but the teams outside of the Top 5 will need to start performing better if they wish to play finals.

First game saw South Yarra take on Springvale Districts at Fritz Holzer Park. The Lions finally kicked a decent score, 15 goals 6, unfortunately, Springvale amassed 33 goals 16 behinds to give South Yarra an old fashioned hiding! At least I picked that correctly.

Caulfield played host to Moorabbin, both teams struggling for consistency. Moorabbin handled Caulfield last year in Division 3 without too much trouble, that form carrying through to Division 2 in 2013. Caulfield are a better team than last year, I'm not sure if Moorabbin have improved as much, but Moorabbin certainly still had all the answers to everything Caulfield could conjure up. I didn't tip this!

Hampton inflicted another loss on Oakleigh District, who seem to have a problem on the smaller grounds. Oakleigh led at the first change, but from there on Hampton went from strength to strength to inflict an embarrassing 9 goal hiding to the District, creating question marks on there Finals aspirations. The only good news for Oakleigh is there is plenty of time between now and the Finals. Hampton continues to frustrate their supporters with Dr Jekyll and Mr Hyde type performances. Their best is

finals worthy, their worst isn't! Another mistake in my tipping here!

Mordialloc also made me look foolish with my tipping. Bentleigh certainly didn't turn up to play here and Mordialloc took full advantage. Bentleigh will be hoping it is just a hiccup, Mordialloc is well and truly back on track in their plans to return to Division 1. The only good thing in my tipping was when I said Mordi were more than capable of matching it with Bentleigh, but I tipped Bentleigh anyway! Mordialloc takes top spot on the Ladder

Last game saw the Murrumbeena Lions take the trip to Skye and performed much better than I ever thought. I didn't rate the Beena at all last week, thinking that Skye would be all over them like a rash. Obviously they had something to prove, whilst Skye may have counted their chickens before they hatched. Even though they only won by 11 points, Murrumbeena can hold their heads high and their finals dream is still well and truly alive.

Bentleigh v Caulfield

Bentleigh will be hurting from last week, playing poorly and losing top spot on the ladder. Caulfield couldn't be taking the trip to Bentleigh at a worse time. I expect Bentleigh to bounce back into form and should be much too good for the Bears.

South Yarra v Hampton

On last week's form this is a no brainer. Hampton were giant killers last week and South Yarra have no giants for Hampton to worry about. My only concern is Hampton's

topsy turvy form, and if South Yarra can kick a similar score to last week they may well be shock winners. I'll stick with Hampton though to win this

Murrumbeena v Oakleigh District

Two weeks ago, I wouldn't have given Murrumbeena a chance to win this, home ground advantage and all, but Oakleigh struggled on a small ground again last week to suffer their second loss for the season, and Murrumbeena's ground is certainly no MCG like size. Murrumbeena played like champs last week, Oakleigh more like chumps. Oakleigh will bounce back, good teams always do, but I think Murrumbeena will win this.

Springvale Districts v Mordialloc

This shapes up as the match of the round. It is certainly the hardest to find a winner and I reckon it will be less that a kick in it at the end. Both teams are sitting on 5 and 2, both have lost games they shouldn't have. I think when in doubt, go for the home ground advantage, hence I'll tip Springvale Districts for that reason, and that reason only.

Moorabbin v Skye

Last game this week sees Moorabbin take on Skye. Skye were disappointing last week whilst Moorabbin won away from home and will give them much needed confidence for this week. Skye will be a lot harder opposition for them however, but I still think Moorabbin to upset the Bombers here.

Division 2: Club Notes

BENTLEIGH Bentleigh has slipped to second position on the ladder after Saturday's disappointing loss to Mordialloc.

The loss has left the Demons as one of five Division 2 teams locked on five wins and two losses

It was a better result for our reserves team, who won easily to remain undefeated at the top of the ladder, while our Under 19s had an easy win over Carrum-Patterson Lakes

Spots are filling up for our ladies day brunch on June 29 with the theme Breakfast at Tiffany's.

Anyone interested in joining can contact Cathy on 0437 733 188 or Jules on 0431 373 087.

The club is also supporting a project to help one of our players Fletcher Hutchison in his recovery after he was left a paraplegic in a dirt bike race last year.

A fundraising event will be held on July 14 to help raise much needed money

for Fletcher's recovery and we would love to see as many people as possible from Bentleigh and the wider SFL family attend. Details can be found at fletcher595.com.au.

Bentleigh is proud to be sponsored by Allamby signs, Bendigo Bank Murrumbidgee, Bentleigh RSL, Australian Leisure and Hospitality Group, Cambridge Plumbing, Dimattina Coffee, the Boundary Hotel, the Dimattina Restaurant Group, Onyx Finance & Property and Duncan's Beer Wine and Spirits.

CAULFIELD We hosted the reigning Division 3 premiers Moorabbin in what were certainly winnable games for both the seniors and reserves. Unfortunately neither side could get the job done. The seniors started brilliantly and opened up a handy quarter time lead, but allowed Moorabbin back in to the contest. The Kangaroos gained the ascendancy in the second term and ran away with the game in the second half. Tom Heagney, Adam Ballard and Chris Dove continued their good form, while Bruce Kain and debutant Chris Hall starred up forward with seven goals between them.

The reserves again found themselves short of numbers. Although they fought hard for most of the game, the lack of rotations meant the boys tired in the final term and Moorabbin kicked away to record a big win.

However, the disappointing on-field results didn't put a dampener on what was a tremendous evening last Saturday with the Bears' annual Comedy Night. Headline acts Chris Franklin and Pommy Johnson were hugely entertaining and had the crowd in hysterics from start to finish, with Franklin's rendition of his hit parody song 'Bloke' a highlight. It was great to see so many in attendance

supporting the club and having a great time.

Our next match-day luncheon will be held at the Bear Cave on Saturday 15th June during our round 9 clash with Springvale Districts. Our guest speaker will be former Australian Test cricketer Rodney Hogg, a crowd favourite back in the 70's and 80's and a highly amusing and entertaining speaker. The cost is \$40 and bookings are essential. Ring Darren Stait on 0407 559 383 for more details or to reserve your spot.

Let's put in a big effort against Bentleigh this Saturday and come away with the points and hear the Ra Ra Ra again!

SPRINGVALE DISTRICTS

We proved a bit slick for South Yarra at the weekend, providing a much needed boost to our percentage. We are well aware that it will be a different challenge this week against Mordialloc. The reserves also took the points with Jamie Fox named among the best on debut.

Player sponsorship will close this Saturday. If your favourite player is still without a sponsor please see Tony, Gav or Pete immediately.

Major Raffle: Tickets are now on sale for the major cash bonanza, the best prize in local footy. Tickets are limited; see Tony now to get yours. The first minor draw is on June 29.

Sponsors: Springvale Districts are proudly sponsored by Breely Interiors, Hydrauliclink, The Waltzing Matilda Hotel, Corporate Flag and Banners, Concept Logistics, TMR Rigging, Lencrow Group, Precision Plumbing, Walker's Family Meats, Computer Skills, The Concrete Cutter and Bayside Store.

SKYE It was a beautiful day for football last Saturday, all teams had great matches. The Thirds, Under19s and Reserves managed to keep their perfect record for another week and the Seniors had another close one against Murrumbidgee losing by just 10 points. Thank you to the volunteers and supporters for a great day at Wedge Road last Saturday. It was fantastic to see so many people attend the matches, the ground was packed! Thank you also to the players and supporters that attended the awards on Saturday night.

Round 8 will begin with the Thirds playing a home game against Dandenong at 8:45am. The Under19s will follow on from

the Thirds at 10:30am playing Dingley. The Reserves and Seniors will travel to Widdop Crescent Reserve, Moorabbin. The Reserves will begin at 11:45am followed by the Seniors at 2pm. It would be great to see plenty of support for all 4 sides this week, the Senior side is still in the mix but needs a win to keep their finals hopes alive after so many close losses. Good luck boys!

This Saturday the 1st of June, The Club is hosting the annual Trivia Night. Awards will commence at 6:30pm and Trivia will begin at 7pm. If you would like to join a table or organise your own please see the Bar staff to reserve your spot. Entry is \$10 per person and drinks will be at bar prices. If you wish please bring along

a plate of food for your table. There will be silent auctions and memorabilia for sale on the night as well as a few raffles running. Please make an effort to come along and support the club, tables are filling up fast so get in quick!

The Club is proud to be partnering with great Sponsors, The Albion Hotel, Air Vic Panasonic, Lime Health and Fitness, The Seaford Hotel, Lawrence and Hanson, The Bottle-O Carrum Downs, Fratelli Restaurant, Brentwood Homes, King Arthurs Storage, The Sands Hotel, Davey's Hotel, Bubba Pizza, The Sandhurst Club, Bendigo Bank, Chissross Construction.

'The Skye is the Limit' - 'Go Bombers'

Division 2: Club Notes

MORDIALLOC Fantastic to see so many former players, supporters and committee at the game last week. A fantastic day was had by all. Big thanks to KC & Nica for setting it up and to Phil & Greg for managing the food.

Netball: Well on the plus side the lights are in and the girls are able to train, on the down side we couldn't manage a win for the day. Even worse was to see Mother Hen Suz hobbling around the room with a nasty ankle injury. Hope it comes better soon.

Reserves: Fronted up against last year's power sides and got taught a football lesson. Started OK but wasted too many chances and once they got running we couldn't catch up.

Need to regroup behind Lippha and come out firing this week.

Seniors: The focus for the week was playing 4 quarters of consistent footy. As expected

in the top of the table clash, the match started at a fast intense pace with both teams trading goals in the first quarter.

Feeling like we had a fair bit of the play in the first quarter it was important to put some scoreboard pressure on in the second quarter which we were able to do coming in at half time a few goals up.

The third and fourth quarters continued much like the second with the boys coming away with a much needed win. It was good to have Toddy and Scaf Senior back in the engine room but on the whole it was most pleasing to have 22 contributors for four quarters. A great win that now needs to be followed up by another consistent performance against Springvale Districts.

A big congratulation to the Bentleigh FC for their attendance and support post game. Good to see so many of the team and supporters in the room enjoying a beer.

Social: Many thanks to Suz & Bec for updating the new facebook site. Like it to follow the feed.

MURRUMBEENA Under 19s: With only two changes the boys finally found their way onto the Beena Arena and in perfect conditions took on the Hammers. The more experienced Beena earned the four-points with Pete taking the opportunity to play some players in new positions with some bringing about immediate results. Buck Rogers found his way to full-forward and snagged four while James competed in the ruck and in the forward line. There were 11 goal-kickers for the day including Eddie sneaking down from the backline and snapping truly!! Key contributors were Sammy Rogers, Jumpin Jack and Jacko (who is probably still smiling after his BIG grab!) while AB returned to the squad with five goals. Really decent sleep-in this week as the Beena have a bye!

Resessies: The coaches were working their mobies feverishly on Thursday night/ Friday and scrambled a team together - just! With 11 changes it was always going to be a challenge but the boys put together an outstanding first quarter and

battled for most of the next two quarters but ultimately run out of legs in the last. The guys that took to the field can hold their heads high, especially Greeny and Daniel in their first game for the year. Best included Micky Mac, Andy and the Rock while Pilly and Greeny snagged two each.

Seniors: In perfect conditions in what is likely to be a battle between two teams that will be fighting hard to play finals this year, the Beena ventured to Skye for a classic '8-point' game. The tackling and pressure was worthy of a finals game with the defence of both teams nullifying each other. The Cockroach returned to the squad and was the key big-man for the day while Jesse dominated the backline and Cory's tackling and defensive pressure was first-rate. Cors was supported by Sauce and Brucey (with 4 goals) while Deano was the other major goal-kicker with three. The 11 point win will be hollow unless the boys follow up with another quality win at the Beena Arena this Saturday. Remember you've got two weeks to recover from this game!

OAKLEIGH DISTRICT A day to forget for the ODFC at Hampton, who proved again they are a difficult side on their home patch. We cannot look for excuses, we much work together and eliminate these lapses in our performances and find a level of consistency required to be successful. Murrumbena, another long-time rival today- let's get back to basics and have a real crack and play the type of footy we know we are capable of. GO Oaks!

Reserves Match Report: A really good win against a Hampton side that finished Runner Up in 2012- Well done to all the boys who continue to work hard for each other and who continue to improve each week. Best: It's a cliché but an entire team effort was exactly what we got on Saturday- Congrats to all.

Division 2: Club Notes

HAMPTON What a win by the seniors against a quality outfit in Oakleigh. Clearly our best game for the season and shows that we can mix it with the best. Our intensity, desire and work rate was up right from the start and this flowed through for the entire 4 quarters, coming away with a 9 goal victory. Better players on the day were Dan Guiry, Jake Simon, Jake Timms, who continues to develop into a consistent performer and Grovey whose pressure all day was outstanding. Big Joel bagged 5 for the day. Let this be the standard for the rest of the season boys.

The reserves appeared flat from the start and this reflected on the scoreboard. It was catch up footy all day. We could only manage 4 points in the 3rd term to Oakleigh's 5 majors going in 5 goals down at 3 quarter time. We showed some promising signs in the last but the damage was done and we came away with a 26

point loss. Must regroup and be ready for this week.

The under 19s travelled to Murrumbidgee to take on a very well drilled outfit. Despite our concerted efforts we were no match for Beena's quality. We stuck at it all day and finished the game off well. Better players were Beer, Timms, Nichols, Brown, Lee and Glackin. Stick at it boys the week by week development is evident.

The Hammer heads came up against top of the table Lyndale and were competitive right throughout the game, but unfortunately came up 4 goals short, 28 to 24. The team is really working well together, let's show Dingley this week we mean business. The supporters best on court went to Rachel Cooper. Well done Rach.

This week the seniors and reserves travel to South Yarra which is a must win for both sides. Yarra will be competitive as always. The under 19s take on Clayton at home.

Now, it's HAMMER TIME!!

MOORABBIN SENIORS: The seniors maintained an intensity for the whole game. With Rhys controlling the backline made it harder for Caulfield to score. David Stynes worked hard through the centre and Dylan Luff pushed hard all day, but it was the commitment of the whole team that resulted in our 15 point win.

RESERVES: After a great win the week before we were looking to continue our good form against Caulfield. We started slowly, but as the match wore on we built on the lead. Even losing Antz from the ruck & The Glitz from the backline didn't seem to slow us down. In the end we ran over the top of them and hopefully we can take

a lot of what we did in that last quarter into the game against Skye this week. Good to see Honey Brown & Lobby back in form, Pat Reaby had a great game & congrats to Ryan Bennett on a real breakout game for him – 2 goals and then dominated the ruck when switched into the middle

THIRDS: A great win by the boys today after a terrible first half the boys responded with a great 2nd half getting their first win after coming back from 5 goals down. Should give us great confidence for this week's game. Great stuff boys

Message from the President, Saturday's seniors win was the best all round team effort in years and a fantastic day the club with three wins for the first time in the

Functions – Sandown Greyhounds tomorrow come and have a good time.

SOUTH YARRA The Seniors were well beaten by Springvale but showed glimpses of form in the second and fourth quarters. We were able to boot our highest score for the season to date but still need a big improvement to be competitive with the top teams. This week is another big game at home against the Hammers.

The Resgies had their chances early in the contest but poor kicking for goal cost us any chance of any scoreboard pressure. Springy finished off better in the second half and went on to win by 8 goals – a disappointing result for our boys. Another big game this week against Hampton at home.

The Thirds were outclassed by Chelsea Heights in the first and last quarters but matched the Demons pretty well in the second and third terms. Needs to be a 4 quarter effort in future boys. This week, we play Doveton Eagles at Doveton.

The Masters and Legends had the week off

last week but this week play Box Hill North and Peninsula Raiders respectively.

Division 3: On the Outer / Will Hunter

ROUND 7 was Indigenous Round in the SFL, a celebration of Indigenous culture and a chance to acknowledge the contribution of aboriginal footballers in the game.

And it was a big moment for Endeavour Hills, with Robert Cooper featuring in the cover story of the Southern Footy Record. But unfortunately for Cooper and his side that was as far as the celebrations went. The Falcons confronted the might of Mount Waverley at Mayfield Reserve and suffered a 105-point loss.

The Mountain Lions were clinical from start to finish and after booting 13 goals in the first half, the game was just about done and dusted by the main interval. Michael Dennis and Josh Barnettby were pivotal in helping the home side continue their unbeaten start to the season.

Doveton also remain undefeated after eclipsing Ashwood by 62 points at Essex Heights Reserve. The Magpies had just two fewer scoring shots than the Eagles, but wasted opportunities in front of goal early with eight consecutive behinds in the first term. Doveton had no such worries and always looked in control of the match. Corrie Wilson proved the difference with a five-goal best afield display.

Sandown's up and down season continued with a loss to Dandenong at Edinburg Reserve. Inaccurate kicking by the Redlegs gifted Sandown a narrow lead at half time, but the Cobras couldn't make the visitors pay. With Warren Cairns

leading the charge, Dandenong stormed home to win by 23 points and secure outright third on the ladder.

Carrum Patterson Lakes led from start to finish to record a 77-point win over Black Rock at Roy Dore Reserve. The Lions booted eight goals to two in the third term to establish a commanding lead at the final change before cruising to victory. Jarrod Williams was outstanding for the home side, as was Joel Dalton with his seven-goal haul.

The final game saw Lyndale get the points over Hallam at Hallam Reserve. The Hawks were competitive for the first half and led by a point at the long break, but an eight-goal third term provided the catalyst for the Pumas' stirring 37-point win. Trevor Kumetaitis dominated up forward for the victors with six goals, while up the other end Bryce Neve bagged seven majors for Hallam.

Carrum Patterson Lakes and Sandown kick off Round 8 with an important clash at Roy Dore Reserve. The Cobras have been very hot and cold this season and need a win to keep touch with the top five. The Lions have been quite impressive winning three of their past four matches and have only lost once at home this season. There is no doubt Sandown at their best can win this, but their inconsistency means I can't tip them with any confidence. Carrum Patterson Lakes in a tight one.

Ashwood are another side in desperate need of a big

win to rejuvenate their finals aspirations. They travel to McDonald Reserve to take on the struggling Black Rock, who has won just one match from their first seven. On form it's hard to see the Jets getting near the Magpies, who should win comfortably and receive a much-needed boost to their meagre percentage.

Over at Barry Powell Reserve, Lyndale hosts Mount Waverley. The Pumas returned to the winners' circle last Saturday after consecutive defeats while the Mountain Lions are absolutely flying and seem to be winning with effortless ease. Lyndale play their home track very well and I reckon they can take the fight right up to their more fancied opponents. But I just can't see an upset happening here. Mount Waverley should be too good and will remain unbeaten for another week.

The winless Endeavour Hills, coming off another heavy defeat, face Dandenong at Barry Simon Reserve. The Redlegs are in good form coming into this game, with just one defeat (to Mount Waverley) from their last six matches. Unfortunately, the Falcons' string of losses will continue as I expect Dandenong will win this pretty convincingly.

The last game is Doveton versus Hallam at Power Reserve. The ladder leaders have been unstoppable this season and have lost just once at home since 2011. Another big win is on the cards here for the Eagles.

Division 3: Club Notes

SANDOWN Last weekend represented three games of football against quality opposition, according to ladder position. A great job done by Swoops Thirds to knock off Cerberus in a thriller, our Reserves once again produced another great team display to remain undefeated on top with their defeat of Dandenong, but unfortunately we couldn't make it the trifecta in the Seniors against Dandenong, who ran away late to put us back outside the top 5. Our challenge lays ahead for our Senior team to play our best footy against the best teams.

MOUNT WAVERLEY

Fighters Express Seniors Report: Vin Diesel once said "doesn't matter if you win by an inch or a mile... winning is winning". We had a good 105 pt win against a determined E. Hills outfit. A good 5 goals to 1 first term set our tone for the day which did not relent. Better players for the day were: Kouta just all class in the midfield, Slammer at his rebounding best in defence, Cossi just winning clearance after clearance, Gaz with a new role in through the midfield and cleaning up in defence, KanYe just continuing his great season using his blistering pace and Cpt Jizzle just proving to his opponents its futile

kicking the ball in his direction.. he will intercept opposition kicks at will! Good spread of goal kickers with Joffa (4), Tribey (3) Gargoyle (3) and #Cammo (3). #MountFooty

Discount Trader Tools Reserves Report: The first 3 qtrs was a tight affair with the margin only being a few points at each break, but a 10 goal to 2 final term, saw us win by 56 pts. The P-Dizzle Sizzle kicked 5 putting in a polished performance. Godders finally operating at 100% and dominated in the middle also kicking 4 goals, Hollywood duked a few at CHF and chimed in with 3, B-Money kept presenting and kicked 2, Don

Draper was prolific in the middle all day, Stinky put in some hard work and showed off his skills, Heater & Browneye held down the defence. #forwardlinefinallyfunctioning

Get Wet Pools Thirds Report: We had a good win against a more confident opponent, winning by 70 pts. Started off evenly, but each qtr we kicked away to an unattainable lead. Better players for the day were: Birddog & Macklemorrey providing run off half-back, Craig "Doodles Junk-time" Anterton kicked a lazy 8, Gav "Heath Shaw" Day was relentless, Strawnie and Kanglim battled hard all day. #ThirdsNation

DANDENONG

The Thirds made the trip to Mt Waverley to battle for 5th spot on the ladder, the boys were competitive early, but could not maintain the pace required to stay in touch and then faded badly in the last to suffer their 3rd loss for the year. We have the talent we just need to work on structures and set plays.

The Seniors and Reserves played Sandown at Edinburgh Reserve. Both reserves teams were unbeaten; the winner would secure top spot on the ladder. Our Boys jumped out of the

blocks scoring the first 2 goals, but that is where the joy ended, Sandown were in control all day and kicked away in the last quarter for an easy win.

The Seniors were looking to bounce back after a disappointing effort last week. We had plenty of the ball but numerous inside 50 entries were wasted. Sandown stayed within striking distance going in to the last but then Mossie, Forsey and Van Schajik took it up a gear, driving the ball forward for a 5 goal last quarter to come away with a terrific 23 points.

This Saturday night is the reverse raffle,

at the time of writing there was only a few numbers left, check with Silky for availability, with or without a number you can still come along and enjoy the evening

Major Event: 22nd June - 50 year anniversary, \$50 three course meal and live entertainment. This is a formal function to celebrate our 50 year history. The night includes naming the team of the half century. Ladies, don't leave it too late to get your fancy frock sorted, and Bokes, make sure your attire is up to the required standard.

Division 3: Club Notes

CARRUM PATTERSON LAKES

Last weeks performance against Black Rock FC only makes today's game against Sandown more important. Playing back to back home games will give the Lions supporter an opportunity to quench their thirst for local footy.

Seniors Match Works –disability employment services report: The boys recorded their biggest win for the season after an even performance against an undermanned opponent Great performers were Joffa , or is it really Stu?, Stork , Dent & Dalts

S&J Windows reserves Report: last week the lads were on the end of a clinic & in this game they executed the clinic. With such a performance it would be unfair to name players in what can only be described as a great response to the disappointing effort from the previous week.

Selection will be interesting with

the return of players who have been unavailable.

Fineline U19 report: Improvement continues and having spoken to a few of the boys after the game there is a warranted air of optimism in the group for the 2nd half of the season. Fine performers against a talent Bentleigh outfit were: Thommo, Staffy & Swiftly.

Mortgage Choice Cheltenham netball Report: A monster has been created with this team and the feed back from some of the lasses is that they are going to be the first team to bring a premiership back to CPLFC. As was shown at their successful function last Saturday night the girls know how to play, but one of their secrets is the fondness for the sugar free drinks. This has become a new addition to the product range available at the sports club bar . Congrats girls on a big victory & a great function last Saturday night.

To those on the sick list Dave Crockett & Bob Skermer to name two, we wish you an excellent recovery to good health.

no such issues for Doveton at the other end. So after some intense end to end footy we found ourselves goalless and 22 points down at Qtr time. Our troubles in front of goal didn't stop in the second and despite having had one more scoring shot at the main break Doveton had opened up a lead of more than 6 goals. Things carried on much the same for the second half as they did in the first, at one end we were kicking points while at the other Doveton were kicking goals and it was going to be tough to compete while that was happening. Alpaca, Dicko and Langers among our best in what was a tough day at the office. Let's get massive numbers on the track this week and turn things around.

Reserves: On a good day for football, we had Doveton come to our home track. With both teams only losing two games for the season it was going to be a pearler of a contest! It lived up to this and

it was scores level at half time. After Doveton kicked the first three goals of the 3rd qtr, we fought back kicking the next 3 however Doveton kicked 1 right on the siren to take the lead going into the last. Doveton managed to go on with the job in the last quarter and we weren't able to keep up our intensity and they ran away winners by 12 points. Hales was terrific all day along with "Randy" Newman and Hanners again playing a solid game. Guys, let's get on the track in numbers this week. We are almost at the half way point and let's really start stringing wins together!!

The program encourages community clubs to promote the Wingman message with the opportunity to nominate a player who has demonstrated positive behaviour off the field setting a positive example for their peers.

AFL Coaches Association CEO Danny Frawley and SFL CEO David Cannizzo meet in support of the Wingman program.

The off- field champion for each league wins \$250 cash and a \$250 sports equipment voucher and a commemorative football.

IF YOU LIKE IT THEN YOU BETTER PUT A RING ON IT...

THAT is the advice the Carrum Patterson Lakes Football Club took when looking for ideas to acknowledge the Player of the day.

Local jeweller and former Carrum FC player Paul Mauracher has donated a sterling silver ring with the design featuring the CPLFC logo. Club President Steve Barnes presents the ring during the after match function to the player voted best on ground for the day by the coaching staff.

"The club members acknowledge

the ring bearer by shouting him/her a drink at the bar" President Steve Barnes explains. "The honour of wearing the ring carries through until Thursday night training when the ring is handed back to the club" says Barnes.

The Player of the Day ring has been embraced by the club with the concept creating a tradition that will flow through to the best and fairest count.

The player voted best and fairest for the 2013 season will receive a

gold version of the ring which will become a valued piece of football memorabilia.

Paul Mauracher can be contacted on 0432 407 650 for further information.

Clarification on charging entry to SFL venues

All SFL Clubs are entitled to charge an entry fee to Home & Away matches at their venue.

Opposition Players, Officials and Club Members should not be charged admission into venues however it is the responsibility of their Club to provide them a Club Membership card or similar.

Anyone with a SFL Season Pass or Club Membership card will not have to pay admission to any SFL venue during the Home & Away season.

SKYE remain unbeaten after a gritty 41-point win over Chelsea Heights at the Hangar. The Heighters clung to a one-point lead at the main break, but the Bombers booted eight goals to two after half time to run away with the game. Dylan McNamara played a blinder and Ryan McConville slotted seven majors for the winners.

Dingley and St Pauls played out an absolute epic at the Den, with the home side prevailing by just one goal. Little separated the two teams all day in a hard-fought and riveting contest. Jordan Baker and Jack Lloyd were sublime for the Dingoos while Tim Roberts starred for St Pauls.

At Ben Kavanagh Reserve, Bentleigh were too good for Carrum Patterson Lakes. Liam Hogton-Hewish was the most prolific of the Demons' 13 individual goalkickers with a dominant 10-goal haul.

But another solid performance around the stoppages saw Carrum Patterson Lakes' Alex Bollen earn this week's Leader Shooting Star nomination.

Murrumbeena's seven goals in the opening term provided the catalyst for their convincing win over Hampton at home. Sam Rogers and Alaster Bradley booted nine goals between them in a sparkling display for the home side. The Hammers gave it their all and found avenues to goal in the second half, with Carl-Oskar Beer putting in a commendable performance.

Hampton has a chance to turn it around at the Toolbox this week when they take on Clayton. This will be a cracking game with the Magpies enjoying the bye after their first win two weeks ago. The Hammers haven't tasted victory for a while, and will be viewing this

match as a massive opportunity. They always seem to play well at home and on that basis I'm tipping Hampton to get up in a thriller.

Chelsea Heights have now lost two in a row and will be keen to avoid a third straight defeat when they meet Bentleigh at Beazley Reserve. But the Demons are in ripping form and with their big guns playing some excellent footy they should win this.

Over at the Hangar is the big clash between Skye and Dingley. The Dingoos are starting to hit a purple patch; however, the Bombers are looking a class above the rest and will remain undefeated for another week.

Finally, St Pauls play Carrum Patterson Lakes at McKinnon Reserve. I think CPL will be competitive, though the Doggies will be too strong for them.

Umpires Corner / The White Knight

BARELY a dozen umpires turned up at our Pizza Night last Saturday. Our committee works very hard to organise our social functions. Please support them by coming along to the next Pizza night at Bricker Reserve on June 29.

Nick Bergman thrives on umpiring. Last year's Colts Grand Final umpire got through twelve quarters of football last Saturday and was still running strongly at the end of his senior appointment. At this rate, he'll break Neville Gardner's games record before he turns thirty!!

Make sure that you check all your appointment details on Schedules. One of our senior umpires turned up to his Colts appointment last week at Bentleigh to find the ground deserted. Had he read his appointment properly, he would have seen that the game had been transferred to Mordialloc. Oops!

Congratulations to Luke Porter on umpiring his first senior game last week. Luke started field umpiring in the Colts last year and is one of a number of young umpires who are making their mark in senior ranks. John Auditore, the SMJFL Director of Umpiring, works closely with Peter Mair in preparing some of our younger umpires. After being mentored in Colts matches, they are then "blooded" in open age games with a senior partner, before joining the senior ranks. Hopefully many of these young umpires can follow Cai Davies' example and move on to the AFL.

Welcome back to Luke de Munk who made a return to umpiring last week after ankle surgery. He had a "home" game at Mordialloc where he was able to stay on and join their past players day celebrations.

All umpires are expected to participate in the National Umpiring Accreditation Scheme (NUAS) which Director of Umpiring, Peter Mair, has spoken about at training recently. If you are participating in Level 1, remember to complete the theory component of Level 1 on-line and hand your completion certificate to Toby by 27 June. For further details on the NUAS, remember to read umpiring news on sfl.com.au under the Umpiring tab, then select Learning and Development.

Next Thursday, the Association is putting on a sausage sizzle after training.

The White Knight hopes that you then stay back for some refreshments and some socialising.

Remember that: We Bounce, We Blow, The Rules We Know.
