### **4. Ideas to Help Your Club Raise Much Needed Funds**

**The Illawarra Credit Union is a key sponsor of football and has been for some time now. As a community it is important that we support the organisations that support football. Here is a great way for your clubs to also benefit from our partnership with the Credit Union:**

FSC has entered into a unique profit-sharing partnership with Illawarra Credit Union, where all local clubs have the opportunity to receive ongoing financial support.

How does it work?

Illawarra Credit Union will pay FSC 0.20% of the loan balances and 0.05% of the deposit balances of FSC players, coaches, families and friends. Just provide your FFA number when joining Illawarra Credit Union and FSC will distribute the appropriate amount to each of the individual clubs on a quarterly basis.

How can you find out more?

FSC are organising for the Illawarra Credit Union to come and chat to any clubs interested in getting involved with this partnership. It is a great fundraising opportunity to contribute to the future success of your club. For more information, contact:
