## Equipment managers' report Season 2014

Season 2014 comes to an end and the finals have been played and won (or lost) So we wind down the footy season and focus on the summer sports, but not without winding up the activities of the “behind the scenes” roles. The one which has a big impact on next year is the equipment supplied to each team. I would like to pass on a big thank you to all the Coaches and Team managers for their cooperation in getting our equipment looking after it during the season and returned in a speedy manor.

The next step is to restock and ensure all the equipment is ok to go for next season, any suggestions for other training equipment or items to assist the coaches, trainers etc. are always welcomed. I have made up a rough stock list of what the DJFC has spent in the past 3 years in updating the jumpers and equipment. Items marked with a \* are new to season 2014. We await the SMJFL decision on the make of the match day balls for 2015 and will seek a supply of equivalent footballs to suit.

To all parents and players, the DJFC is one of a few Clubs that totally comply with the SMJFL published rules and requirements.

One final request if you have ANY equipment at home, in the shed or garage , Please send it back .

My thanks to all who have helped over the past 12 months

## BEFORE.... Nerves

## AFTER.... Elation

We did it!! At the start of the year, the 26 boys sat together and planned to win the flag. We worked on a game-plan and practiced and practiced what we thought was a winning formula. After losing the last two rounds, you could expect that the belief may have been somewhat diminished – but not this group. They rose to the occasion in two big finals against Northvale to achieve our goal – and they are now Premiership Players.

The day started with the National Anthem and in front of a huge crowd – a big thank you to all of the Dingley community (not just the footy club) who came to support the boys. The boys were focussed, having heard some inspiration from 4 of the best coaches ever – Hafey, Jeans, Kennedy and Barassi..... check it out [AFL Legends Coaches - Jeans, Kennedy, Barassi and ...](#)

The first 5 minutes of play were intense and scrappy, with Northvale managing a point before we moved the footy the length of the ground to score the first goal of the game.... a relief and great for the boys to settle the nerves. From this point on, the game was goal for goal but we felt our footy was good and we were moving the ball well, sharing it and running to spread and open up the opposition. In particular, Lachie Sinclair across half-back, Flynn McGaw across half-forward and Lachie Scott was dominant through the middle. The boys were on, and this had the makings of a classic.

#### **Quarter Time: Dingoes by 7 points**

The second quarter and Northvale came out firing, slamming on two quick goals to take the lead. We were still competing hard and just needed to get our hands on the footy. From the 10 minute mark, we were all over them and kicked the last four goals of the quarter with some inspiring footy. Lachie Newman was pushing back to help out the defence, his run a highlight. Zane Waters played a huge quarter with 2,3 and 4 efforts in a row on a number of occasions. Clancy was in and under, Fazza was winning the ruck and Terry dominated across the ground.

#### **Half Time: Dingoes by 13 points**

The Premiership Quarter. We were feeling great as we ran back out after half time. We had a 2 goal lead and the chance to put the game away with a big quarter. But Northvale finished top of the ladder for a reason – they are a very good team and have some great players across all lines. They came out, knowing they had to win the quarter to have any chance and they did. They got on top in the middle and outscored us 3 goals to 1. But poor kicking is poor football and they would rue some missed shots finishing the quarter at 7.13 to our 8.4

### **3 ¼ time: Northvale by 3 points**

OK – here we go. The last quarter, a premiership up for grabs and we needed to attack. We had put Zane behind the ball for the first 3 quarters, but we now needed to win the game and released him into the midfield. Big Fazza went forward and provided a huge target. We completely dominated the last quarter – our defence, in particular Liam and Jamie kept repelling any forward entries by Northvale and our midfielders continued to outwork their opponents. The end result – a 5.2 to nothing last quarter and a 29 point win to the Dingoes... well done boys.

As this is the last Newsletter, I would like to thank some people..

Firstly, **the players**. You have been a wonderful group of young men and have listened and embraced everything we tried this year. We had 26 players this season, so it meant we had to roster players on and off and try and squeeze 26 into 18 is difficult. You all handled yourselves with dignity and took on every challenge this year – you should all be very proud of yourselves and you are now a Premiership Player. Well Done boys.

**Anastasia Argyros**. Thanks for another great year managing the team, and the parents. Everything you do in the background allows the footy stuff to just happen. You are a star, thanks Anastasia

**Brett Rogers**. Brett has been a fantastic Assistant Coach this year and I appreciate his help each week at training and on game day. Definitely a future coach in the making!!

**Karen Redmond.** Another great year from you Kaz – you keep the boys on the park and deal with the blood, sweat and tears each week. Thanks again

**Tim Delaney.** Ran more kms than the players this year and was a huge help at training and with your input – thanks Tim

**Leigh (Lethal) Murphy.** Thanks darling, for all your support. When I was stressed and worried about the footy stuff, you provided some perspective and kept me in line.

**The Parents.** To all of you for your continued support of your boys. Training, meetings, match day and post-game celebrations – we are by far the best group of parents in the club! In particular, to Julie-Ann Newman, Kerri Waters and Charles Lehne for putting your hands up to manage one of the many roles each Sunday – it helps everyone knowing we can lock away those jobs. To the Wizard, for his help in the finals and to everyone else who had their turn to help out, thank you, thank you, thank you.

Go Dingoes.

Following a year of highs and lows, overcoming setbacks with injuries, unexpected losses and magnificent victories, the Dingley boys entered this years Grand Final full of confidence and with a full squad of 25 players hungry for success.

The build up during the week and the training first class. All players were asked to provide a letter explaining what the GF meant to them and this set the scene for a do or die battle. The boys started well in the first quarter and quickly shook the nerves. Tom Lucas returned from a fractured rib and was quickly in the play, winning plenty of it. Chris Ciotta was sensational with his running and tackling pressure. Our defenders were tight as always and very disciplined. Scores were level at the first break.

At half time the boys held a small lead in a low scoring game. We lifted bug time in the third quarter and held a 16 point lead at  $\frac{3}{4}$  time. In a classic battle in the final quarter the boys withstood the pressure with the opposition getting within 2 point until we kicked another goal to seal victory!

Sacheen was awarded best player at full back. His improvement this year has been first class. Mangos classic hanger in the final will long be remembered.

I'm extremely proud of the entire under 15 squad for the effort they made this year. The boys and families celebrated well into the night. It was a great day for the club winning 2 finals.

Next year we go to Div 1 and I know all players cant wait for the challenge.

Well done boys! Enjoy your victory. The memory will be everlasting as will your mateship. Thank you to all support parents. We will celebrate at our presentation night on Friday 5 September.

Glenn Goldsmith.

# Super Rules

**Already missing footy? Nothing to do this weekend? The Supers boys are in action this Sunday in a cut-throat final. After finishing the home and away season undefeated, they will take on Peninsula for a place in the Grand Final. Get along and support the boys on Sunday – 3pm at Mordialloc.**

This is the final edition of the Dingo for 2014. Thanks for the input from all coaches and team managers in what has been a great tool for the club to communicate to all members, supporters and players. Its been great fun compiling the articles and we have uncovered a few comedians along the way.

We hope you enjoyed The Dingo!
