

September 22<sup>nd</sup>, 2014.

Dear SABC Members,

I would like to inform you all that at the next Annual General Meeting (02/11/14) I will not be renominating for the position as President at the South Adelaide Basketball Club.

The reasons for not renominating are that I need to spend more time with my young family and concentrate more efforts into my business.

During the last 3 years I have taken great pleasure in seeing this club gain respect and admiration from the greater basketball community.

When I first stepped into this role I really did not know what to expect as I had not spent time on the committee and had only been involved at the club at a player and coach level. The position has given me great respect for the volunteers that give up their time for the betterment of the club and to provide the best service to our members as possible.

With the position being vacant, it provides an excellent opportunity for someone else to be able to make a contribution to help this great club get even better as there is always room for improvement. If you are interested in running for the position of President and have any questions, please feel free to contact me as I am more than willing to answer any questions in regards to the role.

Many thanks must go to the committee members, both past and present over the last 3 years, for their support and efforts in helping this club not only function but prosper.

I will still be an active part and am very excited to see the club improve in the coming years and to see the SABC family grow even more.

Yours sincerely,  
Zoran Pajkovski
