From the Committee

There have been some changes off-field over the last month, and the committee is shaping up well. This year we have a number of new members on the committee and welcome Rick Clohesy, Luke Hardeman, Justin Reynolds, Darren Wright, Craig Allen, Brad White and Mandy Ferry. It is great to have so many parents involved in shaping the club.

HELPERS NEEDED

We are looking to establish a sub-committee to assist with social events, including the main event this year; our Vegas Cocktail Party. Ideally, we would love one representative from each team to help. If you are interested, please let us know. committee@djfc.org.au or social@djfc.org.au

We have confirmed dates with the Sports Club for our family nights this season. These will be whole club events, and we will have match reports done in a quick and efficient manner, starting with the youngest Dingoes.

**Our first Family Night will kick off at 4.30pm on Sunday 29th May.
There will be door prizes and a free BBQ for all.**

Match Reports

U8-U12

between 5pm and 6pm

INJURED PLAYERS – A message to all parents

We had a situation on Sunday where a player unfortunately suffered a serious concussion. Whilst waiting for the ambulance, we were lucky enough to have a nurse and a paramedic in the crowd to assist the team and match-day trainers. There was a lot of concerned parents around and, whilst we all appreciate the love and support offered, we need to be mindful that parents are not allowed on the field at any stage – this includes the bench area. No situation with injuries is great, but we need to be aware that the trainers need space and calmness to be able to do their job.

Merchandise

We have a number of new merchandise items available, all sporting our great new Dingoes logo. Some items will need to be ordered and we have some stock available.

Michelle Xuereb will be at the footy club this Wednesday 4.30 til 6.00pm, in the temporary change rooms near the canteen.

Orders taken

All weather jacket \$80
Puffer Vests \$75.
Bags (with name) \$35
Polo shirt
Scarf black slip through \$20
DINGOES scarf - long \$22

Stock Available

Hoodies \$50
Shorts \$25
Socks \$10

Auskick

We're 5 rounds in to our Auskick season this week and we've hit a recent record of 222 kids this year. 45 of those kids are girls and we continue to be the flagship centre for the region in terms of female participation.

This week a lot of our coaches went to an AFL training course to get their Level 1 AFL Coaching Accreditation, just one of the benefits of being an Auskick coach.

Last Friday night we hosted the world famous Dingley Auskick Mother's Day Night and it was a great success. With lots of free champagne, food and prizes for the mums we hear that they had a great time being pampered. Next Friday 20 May at Auskick we will have St Kilda players coming down to help run the session for the Auskick kids, so make sure you lock that one in your calendar!

See you at Dingley Auskick!!

Under 8

Round 3 – The boys travelled to wet and windy Hurlingham Park for a midday game. I was unable to coach the boys for this day but the boys were in good hands with both Stuart and Jamie holding the reins and doing a marvellous job. I was told the boys played well and were very disciplined in kicking and handballing to a teammate that was in a better position. (All the things we practiced in training). Captains for round 3 were Joshua R and Blake. The medal was awarded to Aiden and the other awards went to Joshua R and Blake.

Round 4 – We played Ajax away again and it was an early start. It was raining from the start of the game and both teams featured in some really good passages of play. We did not get the reward for effort as we had good control of the play throughout the game. Our captains for the day were Dylan and Nikolas. Eli was awarded the medal for some fantastic passages of play. Joshua O and Charlie also displayed great endeavour throughout the game and also received awards.

Regrading from the League has occurred and we are now known as Dingley Under 8's Orange. Again our training has been excellent with high numbers and I personally can see great improvement across the team. The boys listen well and are always asking questions. The boys are knowledgeable and always give great answers to questions that I may ask.

Again I would like to thank all the helpers – A special mention to Emma, who as a Team Manager is on the ball and has everything planned and executed well in advance.

I think we are due to sing the team song!!!

Regards Aldo

Under 10 Black

Under 10s black

The great start to the year has kept on rollin'!

Rd 3 we hosted Mordi and it was the return of the "STEAM TRAIN" Cooper Wright who stole the show, he played ruck all day and dominated. Giving our onballers Flynn, Brandon and Beau first use all day. Other standouts on the day were Zac "hoover" Chalmers who's forward pocket crumbing was fantastic and Ryan Carlyle who played a great game down back. Overall it was a good game with some great passages of play by all boys!

Rd 4 We travelled to Northvale to battle it out in wet conditions under lights at 9 o'clock in the morning. What a experience! Once again we got off to a good start. The boys teamwork is really coming along and its fantastic to watch.

Alex Chalmers was dynamic playing at CHB and CHF his attack on the footy was great and Maverick playing midfield had his best game of the year. But it was Jack Simpson who was the stand out playing a very team orientated game, what a pleasure to coach.

Well Done boys on your first 4 games; great work!

Brad Cardona

Under 10 Red

The first four grading rounds have been played and the boys have certainly been challenged by some quality opposition. It has been great as a coach to see how they have handled themselves at different times when the pressure has been applied, but as a spectator and lover of the game, enjoying some fantastic junior footy. We've spoken and worked at training on getting numbers to the contest and teamwork as well as second efforts. These boys have given second, third and fourth efforts when required and it has had a huge impact on their unity and development as a side so far.

I believe we are graded right, with the evenness of the competition to date and look forward to the rest of the season with this group.

Round 1 V StBedes Mentone – After a solid pre season Cooper King was asked to lead the team as captain for round 1 along with Zac Baker. Both of them getting their hands on the ball early, with Dylan Myers showing us he'd been working on his ball handling skills also. Our endeavour and intensity to the ball was fantastic, not to mention our defensive pressure all over the ground. However, we did seem to blaze our kicks a bit, making it hard for our forwards to capitalize on the good work, but that comes with being round 1 and the pressure applied by the opposition. Angus Cooper ended up with 2 goals and Shamus and Jude 1 each. Campbell from the under 9s also snagged one and a big thanks goes to him and Cohen for filling in for us on the day. Our 3 pronged ruck attack of Angus, Jai and Hudson seemed to work well and we welcomed Rys for his first game playing for the Dingoes. Award winners were Kobe and Jude

Round 2 V Oakleigh – Unfortunately I could not be there for this game but from all accounts the boys played awesome team footy for 4 quarters and dominated most of the play. Shamus was given the captaincy for the day and went out and helped himself to a lazy 4 goals. Great effort! The smaller brigade of Rys, Cooper, Mason and Sammy contributed well but it was Thomas Dempsey who announced he had arrived to play, bursting through packs and earning himself one of the awards for the day along with Shamus. Thanks to Tony Cooper for standing in to coach for the day.

Round 3 V Beaumaris – After a bit of a flat training session this week I had worded the boys up about how Beaumaris were well drilled and if they weren't switched on, they'd be chasing tail all day. They were up for the challenge and had come to play. One of the best games I've been associated with, since coaching. It was a credit to Beaumaris' officials and players with the spirit in which the game was played. We had Beau, Jalen and Dante jump across from the under 10 Black side to top us up and all three contributed well, especially Beau who had the ball on a string at times. He was awarded best afield from the opposition coach also. Sammy was brilliant getting in and under on the wing and worthy contributors were Kobe, Thomas, Brodie, Jude, Shamus and Cooper. It was great to see the teamwork and link up plays that resulted in the ball being transferred from one end of the ground to the other, with the boys holding their positions, defending their zones and not kick chasing. A real team effort today and one to build on. The medal winners were Mason Keatinge and Dylan Myers. Angus Cooper picked up the pizza award.

Round 4 V East Malvern – It was a wet Mothers Day morning and we started the game 2 players down. Mason out injured (but there for support) and another player trying to find the ground. Unless you knew, I doubt you'd even realize because watching the first quarter, there were dingley jumpers everywhere. Boys pushing to the contest, running in numbers. Zac Baker reading the play like a seasoned veteran pushing out and forcing the kicker to kick the ball out to space. Hudson Turner wanting to make up for a self diagnosed shocker the week before, stopping everything that came his way in the backline and getting good support from Tyler, Rys, Brodie, Dylan and Andre who had come across to us for the day from U10 Black. Great game Andre, you gave us a lot of drive, especially off the back flank as you played a kick behind. Angus Cooper busy again in the ruck and around the ground and Jai getting in amongst it and giving us good options up forward. Great game from Kobe kicking 3 goals and Tyler directing traffic through the middle to rack up numerous possessions. We played so well for three quarters, still one down after half time, running out of tickets in the last quarter. A good effort again and lets work on a few things we spoke about after the game. Medal winners this week Zac Baker and Cooper King. Maccas award (as voted by opposition coach) Hudson Turner and pizza award Tyler Giustiniano

So after 4 weeks, tonight (Thursday) we had training at Xtreme Air where the boys from both Under 10 sides could bond and have a bit of fun at the same time. Thanks to Brad Cardona for organizing it, they all enjoyed it.

Thanks to all the support and help from the parents with match day duties so far and

Go dingoes,
Shane Rossborough

Under 11

Jack Ferraro running through his 50 game banner.....well done Jack

Round 3 Dingley vs Ajax at Home

Round 3 and the boys were ready to take on AJAX, but AJAX weren't much competition for our determined boys. Starting with two goals to one point in the first quarter it just kept getting better from there. We just didn't want AJAX to score and by the end of the game they only managed one goal and three points. Our boys are very comfortable on their home ground and it showed. Final scores were 11.8.74 to 1.3.9.

Goal Kickers – M. Cook - 3, J. Ferraro - 2, S. Lynch - 2, S. Al Moghrabi - 1, C. Goonewardene - 1, J. Sesa - 1, J. Xeureb – 1

Player of the match – Mitchell Cook

McDonalds Award – Charlie Lalor

Round 4 Dingley vs South Melbourne at Home

Round 4 was Mother's day, so all the dads were out and ready to help with anything so the mums could have a break. Plenty of mums came to watch the game though in the pouring rain. It was also a special milestone with the first of the Under 11 boys reaching 50 games. Jack Ferraro celebrated his 50th game on Mother's day and had an awesome game to celebrate. It was a tough game out in the rain, but the boys were determined to win this game. It was up and down all game, at half time we were down 13.9 to 12.13 and then again at three quarter time by three points. The boys were all hoping to give their mum's a win for Mother's day and Jack Ferraro something to celebrate. They proved that they can do it by winning by nine points. 35.5 to 26.4.

Goal Kickers – J. Ferraro – 2, C. Lalor – 1, J. Dance – 1, J. Sesa - 1

Player of the match – Jack Ferraro

McDonalds Award – Scanlan Lynch

The Under 11's are currently sitting second on the ladder in Division 2 after grading, but have not yet played the top team. They will be looking to beat the top team to prove they belong in the top position. Great start to the season for the Under 11's.

Under 12 Black

4 rounds in and we have had 4 great wins. Our systems and ball movement is just amazing to watch. We had a big win over St Peters last week with 13 individual goal scorers. We have been put up into division 2 and are ready for the challenge.

Our season is well on its way and "Exciting" would be an understatement!

What did the buffalo say when his son left on Sunday morning to play his first game in Divi 2?

"Bison"

Thank you to a great parent group and wonderful TM

Benny

Under 12 Red

The U12 Red boys are having fun, if not winning games of footy. Each game is a struggle as it seems other clubs are not hard grading so we get come across some good opposition each week. Each boy is developing well however and we are focusing on our core skills in order to keep the footy in our possession longer. Here is a quick wrap of what we are seeing from each boy:

Alex Baker. Has taken control of the half back line. Reads the play well and is always seen kicking the ball out of the opposition's 50 m area
Jay Coleman. Good for us up the spine or in the ruck. Looks to bring his mates into the game.

Matty Cowell. Seems to be everywhere, having a great season and getting plenty of the footy.

Luke Devitt. Has helped us out a couple of times and looks like a really solid football. Goes hard at the footy and love his 2nd and 3rd efforts.

Adham Daou. The team chatter-box and coach-in-waiting. Likes to get on the ball or slip into the forward line.

Athan Goutziotis. Quiet achiever. By the end of the season we will have him kicking long and running into space.

Hunter Hains. Great footballer in the votes each week. Loves to rebound of the half back line or run and carry.

Riley Johnstone. Infectious optimism. Full forward goal sneak, resident Peter Daicos who loves kicking the impossible goals. Will bring the house down when he does.

Mitchell King. Versatile wing/HB/HF. Follows instructions and loves breaking the lines. Sets a great example to his team mates.

Eric Scott. Looks the goods across the last line of defence and is a great spoiler. Will have him marking and kicking long by the end of the season

Mirek Sevcik, Now owns full back, In one game, followed instructions perfectly and saved 7 goals. Sets a great example.

Ryan Seymour. Not sure if back pocket or forward pocket as he does equally well in each spot. Will try him on the ball and see how he goes

Javier Siera. Great in and under player. Puts his body on the line and gets plenty of the footy. Good to watch, has a real dip.

Matty Smith. Improving each week and has had some good runs on the ball. Will work on his marking and turn him into an attacking half back flanker

Jasper Steeds. A real workhorse who just does not give up. Terrific attitude and always puts in 100%. Great to have him in the team.

Jasper Sturdy. Has also helped us out and looks to be a winger/on-baller. Great attitude and first at the bottom of a pack.

Cooper Topham. Half forward flanker or on ball specialist. Plays attacking footy and drives the ball into the forward line.

So you see we have a team of future champions who will bring tears to the eyes of their parents when they win a game.

Dave Cowell
Coach

Under 13

Round 3 vs Ajax

A tight tussle out at Princes Park on a windy day where we took on Ajax. They got a hold of us early, and held us scoreless in a tight first quarter.

¼ time Ajax 1.3.9 Dingley 0.0.00

We needed to win the ball out of the middle and hit the scoreboard. Lewis was on top in the ruck and Stevie, Jessie and Charles started getting hands on the ball. We had settled, and outscored them 3 goals to 1 for the quarter.

½ time Ajax 2.5.17 Dingley 3.1.19

Our defenders were holding up really well, and we asked for an extra effort. Lochie Benton and Mitch McKenzie in the key positions down back were starring, and Cooper Goona started to get hold of the game up forward. A great quarter of team footy kept Ajax scoreless and would set us up.

¾ time Ajax 2.5.17 Dingley 6.1.37

It wasn't until after the final siren that Ajax would score another goal, and our backline were awesome in the second half. A solid win by the boys, 7.2.44 to Ajax 3.6.24

Well done to all players and welcome back Jono with his first goal.

Round 4 vs Waverley

We were 2 and 0 and feeling good about our footy. It was Mother's Day and the boys were back at home, keen to make our Mums proud. The first 10 minutes were really tight, with no score on the board although the Waverley boys kept the ball in their half, thanks to a good press and their dominance in the clearances. Their sheer size looked to overwhelm us and they kicked 3 late goals to set the scene for what would be a tough day for the boys.

It only got worse. The bigger bodies and aggressive tackling of the Waverley players took its toll as our players continued to try, but were simply overwhelmed by a very good opponent. Mighty Mitch Murphy bore the brunt of a gang tackle, finishing the day in hospital with concussion. We had 3 or 4 other players off injured and our bench was a sea of activity; concerned Mums everywhere and players feeling the pain of a heavy defeat.

The one thing I will say is that the players did not stop trying. Their effort and courage cannot be questioned and they should be very proud of themselves.

We will regroup now and attack the rest of the season together and, if the effort remains I know the boys will have a successful season.

Finally, thanks to the DJFC family for the care and calmness shown in helping Mitch Murphy. We have something very special at our footy club and it was on display on Sunday.

Grading is in and Waverley have gone up to Div 1. We have 3 new teams, Bentleigh, St Peters and Oakleigh – all promoted from Div 3.

Go Dingoes,

Brendan Murphy.

Under 14

In Rounds 3 and 4 the team has been competitive for at least 2-3 quarters of each game falling away in the second half principally due to our lack of numbers. With the continued assistance of the under 13s as well as two players from the under 11s we have been able to run an interchange bench however, at this age group and the length of the quarters now being 20 minutes, both physical size and fitness are critical factors in the final outcome.

However there can be no doubt that the team continue to contest and be willing to face up to the challenges ahead as is reflected in our training numbers.

With the imminent return of two members of our squad this will mean that we have the full squad of 20 available which should enable us to have at least 2 on the bench for the next two rounds until we lose Malachy to the lure of Ireland as the Brennan family head off overseas. We wish them a safe journey and hopefully the luck of the Irish will be bestowed on us all.

Thank you for your support.

Bill

Under 15

Round 3 vs Ormond

Tough day at the office with Ormond coming out of the blocks really fast - our boys were a little unsettled. 56 v 9 at half time. The coaching group set a big challenge to the boys and they responded magnificently With Ormond only adding 20 points to our 7- final scores Ormond 76 v Dingley 16. The boys should be very proud of how they responded in the second half.

Round 4 vs Ajax

Mothers day, at home v Caulfield Bears - Milestone games for Lemo - 100 games and big Perry 50 games - it was great to see the support these stalwarts got from their families and friends on the day. The game see- sawed all day and was great to watch - no need for a half time bake as the boys were on from the start, We led by 7 at Qtr time, 9 at halftime, 7 at three quarter time finally running out winners by 13 points - Not great for the coaches heart but sensational for all involved.

We will be staying in Div 3 for balance of year and we are confident that the boys will continue to give 100% and keep improving.

Two players have decided to move on to other Clubs and we wish Aden and Nic G the very best for the rest of the year.

Thanks
Pete

Under 16

Round 3 vs Ajax

Dingley 8.7.55 def Ajax 5.5.35

First game where we faced tough wet and windy conditions having an early game at Heatherton. Again with only 18 players out of a possible 23 players, early season injuries is making it a bit tougher.

First quarter we did not have the breeze and fought hard to be up 2 goals to nil at quarter time, Cody played the game on the Half bank flank and was dominating reading the ball well and getting possession back for us, Isaac as always hard at the contest and driving the ball forward.

Second quarter we had the breeze but only managed 1 goal for the term with the opposition kicking 1 goal as well, at half time up by 16 points.

Third quarter was tuff the rain and hail came in and the players had to work really hard, we battled hard, led by Jack in the ruck who was dominating across the ground. up by 15 points at 3 quarter time.

Last quarter with the breeze again we got a few early goals with Brody kicking 2 and we were safe. A couple of late goals from the opposition, a hard fought game, really proud of the efforts with only 18 players on the field, ending up winning by 20 points.

Round 4 vs Cheltenham

Dingley 9.6.60 def Cheltenham 8.5.53

Another hard fought contest today, having 19 players we at least had 1 rotation off the bench.

First quarter we were actually playing good football but let a couple of easy goals slip.

We were 13 points down at quarter time and we needed to improve in the centre area where we were getting beaten, the boys improved in the second quarter playing hard football still moving the ball well and were rewarded for their efforts keeping Cheltenham to no goals and now leading by 6 points at half time.

The challenge was set we wanted to remain in the lead at 3 qtr time, we were a man down with Liam re injuring his knee, but the boys were committed good team play, hitting targets, strong leads and we managed to kick 3 goals to one, great mark and effort by Corey in the forward line, we were leading by 13 points.

Last quarter the boys did not want to lose this one, we were getting tired but to every one's credit they stayed tough and fought it out winning the game by 7 points, letting 2 late goals to the opposition thru.

Pleasing to see what we are practicing at training is working on game day, the boys were happy with their effort and they certainly deserved the win.

Brad Leeson – coach U16

Under 17

There are lots of good things happening in the Under 17s. Firstly, our player numbers are excellent with 25 players listed to put the jumper on this year! Second, it's been great to see a bunch of new players joining the club and also others returning to play for the club. Attendance at training has been excellent. Pre-season commenced in December last year and it was fantastic to join forces with our Under 16s at training for several weeks.

Our captain this year is Mason Goldin and he is joined by our Vice Captains, Rory Goldsmith and Stephan Lamble. Congratulations to these guys who continue to lead by example both on and off the field. Our newly appointed Assistant Coach is Mal Crouch (father of Tim) and our Team Manager is Gayle Davis (mother of Jackson) who are both doing an excellent job in their respective roles. Thanks to all other parents who are helping out too!

On the field, we've had a good start in the first four rounds and are currently sitting with a 2 wins / 2 losses record. Our guys have shown they can match it with the best sides when we bring 100% physical effort and mental focus to our games. Pleasingly, we have improved each week. The attitude of the playing group is positive and new mate ships have been formed.

As we did last year, we are continuing to work with the Dingley Football / Netball Club's senior coaching panel (led by Shane Morwood, Ex. Collingwood & AFL Premiership player) in developing a pathway for our Under 17s to play their future senior footy with Dingley. This model includes adopting a similar game plan / style to that of the seniors; involving senior footballers at our training and potential mentoring of players.

Keep up the good work guys!

Glenn Goldsmith U/17 Coach

Ideas and News

The Dingo is a great tool that the club members and each team can use to communicate to a wide audience.

Send in your match day photos, player milestones or share family news and stories

Any feedback, ideas would be appreciated.

We hope you enjoy The Dingo!
