Well done... to all the players who represented our club in the Interleague Teams.

Massive thank you.... To all those who helped make the Annual Club Ball and Past Players day such an amazing success.

STAY TUNED!

Message from the President...

Successful day at Tiger Town last home game with our footballers notching up 4 wins for the day. Well Done. Hope most off us enjoyed the week off. Congratulations to all our league reps over the past few weeks. Great to see so many off our players representing the League in football and netball. Once again thanks to all those who supported the Club Ball, certainly a successful night for all involved.

Special thanks to Andrew Millar and Shannon Wells who coordinated the Past Players Day, great to see so many old faces back at the club.

Some guys back for the first time in over 20 years. Cheers, Beaso.

Notes from the Senior Coaches!

After seven rounds completed now the senior group has three wins which has been great for the club and everyone involved.

Last week's performance was a telling win in the end after a very good first half lead. Echuca played well in the third quarter to get back in game, but we showed a real sign of maturity as a team to kick away in the end.

Great to see the 2nds get up for their first win of the year, all four teams winning was outstanding result for the club and this all made it a great night for the club ball.

Good to see Kade Zito carving up the dance floor it was an exhibition in itself!

Another tough game this week at Nathalia looking forward to the challenge, go Tigers!!
