From the Commodore:

Well here is our club's newsletter just prior to our Opening Day on Sunday November 20 with all the news that we can savor which bought us here through winter.

Welcome to our latest newsletter as the new Commodore to QCYC and with a big thanks to all members of the committee, flag officers and members generally for their efforts in the past year and with their confidence in the new committee for 2011-12.

I wish to thank our members retiring from the committee in John Gleeson and Ken Gayler, for all their work in the past, and give a big welcome to Sheryl Gray and Noel Essex on the new committee whilst congratulating my fellow flag officers in Roger Bennett as Vice Commodore and Naomi Wilbraham as Rear Commodore. Special thanks to the other members of the committee continuing into 2011/12 for their advice and support.

(As can be seen following the AGM, the flag officers looking forward to a big year with QCYC, VC Roger Bennett, myself and our Rear Commodore in Naomi Wilbraham.)

Xmas in July!!

Our Xmas in July was something that all who attended were impressed with including a new caterer and lots of laughs, prizes and hilarity mostly at the hands of Bill Stubbs and his lovely wife Gill.

Over 100 people attended and stayed well into the afternoon enjoying the beautiful internal atmosphere given that the worst rain and wind seen for many a day at QCYC prevailed outside. No wonder we needed all the plum pudding etc that we could get our hands on!!

Bill Stubbs doing his salesmanship to the throng!

The bar was the place to be earlier in the day!!

Commodore Ken Gayler presented a burgee from Royal Singapore Yacht Club to QCYC after his visit earlier in the year.

Annual General Meeting

Our AGM was held at Royal Yacht Club in Williamstown on Tuesday evening October 4 in the convivial surroundings of their dining and lounge with a big turnout again to celebrate a big year in cruising and sailing generally.

Our (now) immediate past Commodore Ken Gayler conducted a meeting and reminisced over 2010 – 2011 whilst conveying to his committee his thanks for all members' participation and part in celebrating a year of change and improvement particularly over the Strategy and Business Plan and locking away documentation for the future.

The improvements to the general club house and environment has been substantial with road works, plantings and maintenance amongst the high points of the work apart from the lovely cruising that our cruising group have achieved and growing rapidly.

Finally with dredging of the basin alongside the club, the clarification of fairway and berthing by Parks and the Pile Mooring installation to the west of the club wharf have made our club one of the most available and picturesque places around the bay. Larger yachts can now berth without any fear of worry over depth being 2.3 metres at low tide and throughout the basin.

Honorary Life Members appointed

Lastly the Commodore and committee installed three (3) new Honorary Life Members to our club in Graeme Chapman, Rex Prosser and John Gleeson for their long and dedicated work,

support and enthusiasm to the club over many years. All three were completely surprised by the generosity and award from the club members and enthralled with their recognition. Please congratulate them when next you see them!

Past Commodore Graeme Chapman and past committee/treasurer Rex Prosser being congratulated by Immediate past Commodore Ken Gayler after the AGM.

Working Bee

Our last working bee on Sunday October 23 proved a very popular place to be and in excess of 50 members and families turned up to provide over 200 hours of work in painting the wharf fenders, clubhouse, cleaning, patching plaster, electrical connections and accessories combined with gardening and

planting some 150 new plants, clearing the bush of hazards and rubbish, painting all outdoor furniture and ensuring much of the hard work was completed

Club Visits

Club visits have been at a high recently and the use of facilities has been fondly mentioned in dispatches by many members and by officials and flag officers of our sister clubs.

Amongst those visiting are Geelong Trailable YC, Blairgowrie YC, Royal Brighton YC, Royal Yacht Club of Vic, Royal Geelong YC, Sandringham YC and Lagoon YC.

Additionally we are expecting a big weekend visitation by members and clubs to our facility as part of the Queenscliff Music Festival Weekend....(25 thru 27 Nov)

Cup Day Cruise...

Our club Cruise Director Mal Billings, has been very busy and put together a great weekend of cruising over the Cup Weekend with some 65 people and over 25 boats involved.

Everyone set off from around the Bay to arrive at Royal Geelong on the Saturday in somewhat turbulent weather conditions. After some relaxation, all enjoyed a beautiful dinner and extravaganza of fun and frivolities around our committee man Bill Stubbs, accompanied in support by his lovely wife Gill.....raffles and prizes together with a "no win" trivia quiz made for a great night.

Our thanks to RGYC for their hospitality, and especially to Paul and his team on the berth arrangements.

Sunday turned on worse weather and RGYC took pity on

us with providing berthage until Monday when the fleet split to either head home or as some did, arriving at QCYC to spend a night of enjoyment.

Cup Day was relaxing in the serenity of Queenscliff before the cruisers headed home.

Despite the weather, all those participating commented positively on the involvement of all and fun in getting together.

Well done Mal and company!

Orientation Days

We recently held another Sunday morning when we had 20 new members and partners attend our relaxed orientation days.

We outlined the club mission and objectives with a quick run through the many facilities and policies of our club essentially to ensure that all members understand the nature of the club culture and the voluntary methodology that we follow.

Amongst the other issues we cover are security, emergencies, housekeeping, fire prevention, after hours needs, wharf management, family activities, car parking, maintenance, supplies, kitchen and recreational facilities, etc

A fire cart demonstration is included, with a walk around the grounds for familiarity.

Gate Operating times for the Swan Island Security Gate:

Sunday-Friday: 0700 - 2000 hours

Saturday and Public Holidays: 0700 - 2100 hours

Road durability and care

Our roads are built to only withstand vehicles travelling at limited speeds.

The club cannot afford to keep repairing the damage already re-occurring to our causeway access road which a consequence of exceeding the speed limit of 10 km/h set for our benefit.

The roads near the clubhouse are coping well because people observe slower speed close to the club.

We are continually fixing potholes in the causeway where there is the temptation to exceed the 10 km/h limit.

Please observe the speed limit of 10 km/h – remember it is your membership fees that get used up unnecessarily on such maintenance.

Sailing at QCYC

Well....it is so special sailing westward to QCYC.....

But sailing eastward is not what the doctor ordered...

...as can be seen!

Please come again and stay longer!!
