## WRFL'S JUNIOR FINALS SERIES ABOUT TO BEGIN

By KRISTEN ALEBAKIS

**AFTER 14 rounds of football, we have hit the business end of the season. The WRFL's 2016 Junior Finals Series is about to begin.**

After all the hard work, endless amount of laps around the local footy oval and months of training sessions, it has all come down to this.

At the start of the season there was more than 150 teams across the junior competition, vying for premiership glory.

Now there is only 82 teams left in contention and the dream of holding the premiership cup up is now firmly in the sights of players and coaches.

It is shaping up to be an exciting series.

Twenty-two different WRFL Football Clubs are represented in this year's finals. Seven EDFL clubs who are also involved in the combined WRFL-EDFL Girls Football League competition are also involved in finals.

Footy fans from across the west will get to see some of the best junior talent in the region during the Finals Series.

Over the next four weeks junior finals will be played at Galvin Park (Werribee), Wootten Road Reserve (Tarneit), Grant Reserve (Altona), Dempster Park (North Sunshine) and at Crofts Reserve (Altona North).

Be sure you check out the WRFL website each week to see who will be playing who and where.

I wish all the teams competing in this year's finals the best of luck over the next four weeks.

Win, lose or draw, all players, coaches and club volunteers should hold your heads high and be proud of your achievements this season.

Well done to all the teams whose seasons may have ended. Your contributions to your team and effort each week do not go unnoticed. I am sure all of you will come back bigger and better in 2017.

Junior competitions also wouldn't be possible without the support of all the parents.

It is the mum's and dad's who drive their youngsters to training and to games across the west each and every week. A big thank you goes out to you.

If you are involved with junior finals or not, I hope you can enjoy the next four weeks. Before we know it, the senior finals will begin.

If you take any photos from Week 1 of Junior Finals and would like it to be featured online or in the next edition of the Footy Record, please email it to [k.alebakis@wrfl.asn.au](mailto:k.alebakis@wrfl.asn.au)

Finally, the WRFL Footy Show will also continue over the finals series.

I will be out and about interviewing players, coaches and volunteers who are a part of the finals series. Make sure to check out the WRFL website or the WRFL's Facebook page each Wednesday to stay up-to-date with all the latest news.

***See you at the footy.***

## FROM WRFL JUNIOR TO VFL MILESTONE

**THIS Saturday, Scott Sherlock will run out at Simonds Stadium to play his 100th senior game for the Werribee Football Club, a club he watched as a young lad with aspirations to eventually don the black and gold as part of his sporting dream.**

On the eve of this personal milestone, Scott shared his football journey with Kevin Hillier.

***Your early footy days were at Werribee Juniors. When did you start?***

My first competitive season was in 2001, playing in the Under-12's as a bottom aged player.

***Who were your early coaches and what was their influence on you?***

Earliest coaches that come to mind would be my Under-14's coaches, brothers Adrian and Anthony Pante. From memory I think we were bundled out in the prelim final both years. They were very good motivators and to this day I still have a fair bit to do with them. Last year of Under-16's I was coached by John Thomson and although we fell short in the Grand Final, I found that in this year I was really taught the meaning of hard work.

***Personal success: you won the WRFL Under-14A B&F in 2004. Any others?***

The year before I happened to win the league Under-14B B&F, this along with club best and fairest awards along the journey too.

***How do you look back on your time at the Western Jets?***

Great experience all in all. Looking back, there are a lot of current and former AFL players that I got to play with or against. Ultimately it was a stepping stone into the VFL pathway for me.

***What are your memories of your senior debut at Werribee?***

It was Round 4 of the season and we played

Collingwood in a night match at Werribee. I remember not knowing what to do with myself all day in the lead up to the game and the hours just dragging on. Finally arriving at the

ground the nerves really started to kick in. They settled pretty quickly as I got into the game. Turned out to be a pretty disappointing loss in the end, but definitely a game I will remember for the rest of my life.

***What advice would you give to the young blokes who still have the AFL dream on what they should do at VFL level?***

I would have to say don't give up. More and more guys are being picked up from the VFL every year. Make the sacrifices you need in order to keep improving your game, and be a sponge to all of the coaches you have around you. Biggest one is to continually play for the team and not for yourself. Guys that play selfish footy get found out pretty quickly.

***Highlights from your 100 games?***

Playing my first game for the club is definitely the number one. Playing in some pretty close finals over the years and just being part of such a great club is a highlight in itself.

***Will you go back and play local when your VFL days are over?***

It is something I have always looked forward to, but at the same time I want to get everything I can out of playing for Werribee. While I would still take it pretty seriously, it excites me that one day I'll be able to have a kick with some close mates that I've never had the opportunity to play with.

## UMPIRES TO PUT BEST FOOT FORWARD IN FINALS

By GRAEME HODGART

### WELCOME to the junior finals!

It just seems like yesterday when the players and the umpires were searching for their kit that had been stored in the back of the cupboard for the summer months.

Time flies and now some teams have missed out on the finals while others are focussing on competing at the business end of the season.

The umpiring fraternity have been hard at work preparing themselves for the junior finals.

While the usual training continues, the umpires are urged to treat each final as just another game.

Umpires are instructed not to change anything, but to put into place all the things that they have been doing throughout the home and away season.

Of course, most finals' matches are very important for the teams and players involved. The same can be said about the umpires, field, boundary and goal.

They are all hoping to put their best foot forward and not be noticed too much! A solid performance may mean getting another game next week and possibly having their name pencilled in for a junior grand final. But it's best not to get too far ahead of oneself.

Just as players and teams and clubs are disappointed with certain results and outcomes, umpires also can feel let down when things don't go their way in selection.

Hopefully the teams that perform the best make it all the way to compete in the junior grand finals that are only a few weeks away. So, too, will the umpires be out to impress.

Many have performed well during the season and they go into the finals with a high number of brownie points. But, as the saying goes, you are only as good as your last game.

Let's hope that the junior finals are full of action-packed exciting football where the top teams are able to

exhibit the skills and abilities that have enabled them to compete in the finals.

Likewise, may the top junior umpires be rewarded for their endeavours both on and off the field. Good luck to everyone! May those who you support do well and represent the WRFL with pride and may they feel a sense of achievement regardless of the result.

The umpires' association is organising a **reunion** on Saturday, August 6 at 7 pm at Scovell Reserve. All past and present members are welcome.
