GRAB A BARGAIN

Message from the President...

Welcome to our last home game for the year!

Once again it has been a fantastic effort from many people in allowing us to operate our netball and football sides over the season smoothly. Well done to all.

Still plenty to look forward to with the club represented in the finals with both the football and netball in the coming month. Good luck to all these sides.

Special thanks to Dean Clydesdale, Fiona and Chris King who orchestrated the Feast in the Forest function.

For those who were in attendance it was a ripper night, well done to our organisers and our barmen Tank & John for their efforts. Busy times ahead with our review on Saturday night, the \$10,000 draw, Goods & Services Auction and presentation nights to follow. *Special thanks* to Belle & Sam for putting the newsletter together during the year, great effort girls. Good luck to all sides in the month ahead.

Cheers Beaso.

Feast in the Forest was a huge success.
Thank you to all involved.

Notes from the Senior Coaches!

Senior where always up for a challenge going up against premiership contenders Moama with a majorly depleted side. Before the game started we had two of our players with half a game of reserves under their belt.

We had a very disappointing start to the game, but to the players credit they showed great character and stepped up the intensity and really rocked the full strength Moama. Although the game was lost in the first quarter the boys outscored Moama in the second and the 4th quarter and show some real fire to finish the game.

All our focus is now on the next two games.

We need to play with the same intensity and intend as we did the final 3 quarters of the Moama game to get the 2 wins and finish the year off with some momentum to set us up for next season. **Go Tiges!**

Thank you to all that contributed to the Scratching Post this year and special thank you to Samantha Mantovani for all the amazing photos. Good luck for the finals to all the teams that have secured a place! COME ON TIGES!! Belle x

Thanks to all the ladies who attended Ladies Day.

A big thank you to Paul Ukich for the raffle donation, the men's committee for the clean up on Sunday & Bourke Hire for the marquee also thank you to Mick Doyle from Doyle Gourmet Meats for their donation. Special thank you Marlo for organising the event.

We also thank Karl for being the bar man for the afternoon. It was a great afternoon enjoyed by all.
