WERRIBEE'S VIBRANT NEW SPORTING VENTURE OF THE FUTURE

It's a new era for Chirnside Park with the major redevelopment of the Avalon Airport Oval. The building of a state of the art facility is already underway at a cost of \$11.75 million and is due to be completed in 2017.

Understanding what future-focused sporting organisations, associated businesses and community groups want for optimum performance was the cornerstone for designing a truly multifunctional environment in one of Australia's fastest developing growth corridors.

It's the new home of the Werribee Football Club and will provide players and supporters alike with the very best facilities in the Victorian Football League (VFL). The Werribee Huddle will also be located here and will thrive in this complex. This is a joint sporting initiative between WFC and AFL Club North Melbourne Kangaroos, which supports local sporting academy initiatives.

One of the main purposes of the facility is to provide opportunities for organisations to network, collaborate and grow in a sporting related environment, as well as giving community groups a fresh and stimulating place to meet and hold functions.

The location is ideal, being right next to the picturesque Werribee River, yet within easy access of the Werribee CBD.

Here are just some of the many facilities available in this ultra modern complex:

- Superior multipurpose spaces – potentially suitable for offices, professional suites, conferences, meeting and training purposes
- Designated spaces for sporting Medical Support, suitable for Allied Health Care i.e. Doctor, Physiotherapy services etc.
- Fully equipped gymnasium with a floor space of 280 sq metres – also available for Personal Trainers
- Floor space suitable for fitness activities , including ice baths, change rooms , private showers
- Unisex change facilities onsite
- Private Function Room – with a 200 person capacity
- Onsite Canteen facilities
- Onsite covered seating for 470
- High-tech Audio Visual Capabilities throughout
- Onsite parking

If you are interested in being among the first to set up your business or use this unique complex, call now to discuss the many opportunities we have available. Contact Darren Hellmann at Werribee Football Club on 9741 6688.
