Handy advice for first home buyers

Buying a home is an important decision and purchasing your first home, even more so. It can be a tricky and somewhat daunting process which is why it is essential to do your homework, have a plan and budget, and seek expert advice before jumping in.

Here are some quick tips to help avoid some of the common traps when taking your first step onto the property ladder:

- Be clear on what you can afford to spend to avoid looking at properties that are out of your price range.
- Work of the best home loan for you and check the ongoing repayments taking into consideration interest rate increases over time.
- Get pre-approval for your loan so you know exactly what properties you can afford to be looking at.
- Understand all your costs such as stamp duty, pest and building inspections, insurance and legal fees.

KICKIN' IT WITH KRISTEN

TRIO READY TO MAKE THEIR MARK

By KRISTEN ALEBAKIS

This week I was lucky enough to speak with three of the WRFL's most promising young stars, Tristan Xerri from Caroline Springs, Lachlan Fogarty from Spotswood and Buku Khamis from St Albans.

The talented trio were recently involved in the NAB AFL Under-18 National Championships, playing with the successful Vic Metro team.

Lachlan was selected in the All Australian team and has been touted as a potential pick in the draft later this year. Tristan also had an impressive carnival and is a name to watch throughout the rest of the season.

Finally, Buku is a bottom age player and while he didn't get a chance to show-off his talent during the championships he is involved with the national academy and is already creating some noise regarding the 2018 draft.

You can see what they all had to say about their recent national experience in the WRFL Footy Show episode below.

To stay up-to-date with all the latest league news, stay connected with the all of the WRFL's social media channels.

See you at the footy.

UMPIRES CORNER

STEPPING UP IS ALL PART OF THE EXPERIENCE

By GRAEME HODGART

The recent school holidays played havoc with some clubs especially within the junior ranks. Obviously some families took the opportunity to pack the car and the family and escape for a week or two. Probably to a warmer climate! Who could blame them?

Unfortunately, this left some clubs with not enough players to field particular junior teams. Disappointing, yes, but unavoidable.

The same situation happened within the ranks of the WRFL umpiring. With so many young umpires on the list for field, boundary and goal umpiring, the school holidays saw a few gaps suddenly appear.

While this did create a headache for those sorting out the appointments, it did give some umpires a chance to step up and umpire in a higher grade.

In the majority of cases the so-called “junior umpires” were given a more experienced partner to run with in these games. This had a positive effect in a number of ways.

The senior umpires could help and guide the lesser experienced umpires out on the field. They were also able to provide feedback and encouragement at the end of each quarter and also after the game.

No doubt a great deal was learned during those games. Basically the more experienced umpires were in a teaching and coaching role as they went about their usual routines and applications in the course of those games. Feedback from these occasions reveal that overall the experiences have been very positive.

Mark Westgarth, as director of the WRFL umpiring department, has always emphasised that all umpires are potential and ready-made coaches. Often, during training or matches, the opportunity arises for individual umpires to pass on tips, important information and feedback to their fellow running mates. Of course, there is a proper way to do this and umpires are encouraged to assist others in a positive and supportive role.

Quiz

A player in a senior AFL match takes possession of the ball and is hemmed in by opposition players and so he deliberately handpasses directly towards the boundary line. The majority of the ball bounces over the line but then it bounces back towards the player. What happens?

- (a) A free kick is paid for deliberately forcing the ball out of bounds.
- (b) Play continues.
- (c) A boundary throw is called for.

The correct answer was (b) as the Laws of Australian Football says if any portion of the football is on or above the boundary line then the football is not out of bounds.

NEW PARTNERSHIP WITH RAWFORM COMPRESSION

THE Western Region Football League is pleased to announce a new partnership with RAWFORM Seamless Compression for the 2017 season.

During training, game day and recovery, players will feel the benefits of RAWFORM Seamless Compression, with overall exceptional support and pressure focused on hips, thighs, groin and rear with improved endurance and recovery.

WRFL Marketing Consultant Peter Harley said he is excited by the partnership which will allow players to purchase compression shorts direct through RAWFORM at a competitive price.

“We think this particular arrangement will work well with this type of garment as it enables individual players and, in the case of juniors, their parents, to order compression shorts online, at a competitive price and have them delivered directly to the players’ home,” he said.

RAWFORM General Manager Simon Hosking said RAWFORM shorts were reliable compression shorts.

“The shorts are the realisation of sports performance apparel we wished existed in the market,” he said.

“We just wanted compression shorts that did what they said they were going to do. Our sales pitch is simply just get people to try the shorts. We’ve tested the shorts from AFL to grassroots level and the feedback is always that they are the best compression shorts they have worn.”

The deal includes discounted products to WRFL players, their families and friends.

“We are passionate about local football, developing future AFL stars and looking after seasoned player’s bodies” Hosking said.
