Handy advice for first home buyers

Buying a home is an important decision and purchasing your first home, even more so. It can be a tricky and somewhat daunting process which is why it is essential to do your homework, have a plan and budget, and seek expert advice before jumping in.

Here are some quick tips to help avoid some of the common traps when taking your first step onto the property ladder:

- Be clear on what you can afford to spend to avoid looking at properties that are out of your price range.
- Work of the best home loan for you and check the ongoing repayments taking into consideration interest rate increases over time.
- Get pre-approval for your loan so you know exactly what properties you can afford to be looking at.
- Understand all your costs such as stamp duty, pest and building inspections, insurance and legal fees.

KICKIN' IT WITH KRISTEN

WOMEN'S AND GIRLS FOOTY ON THE RISE

By KRISTEN ALEBAKIS

We had a fantastic start to the WRFL Junior Finals Series last weekend, with junior players from across the west proudly representing their clubs in-front of loved ones.

Juniors ranging from Under-18 girls to the Under-11's all began their finals campaign with some teams earning a spot in the first round of Grand Finals next weekend. What a fantastic achievement.

The WRFL/EDFL Senior Women's finals will kick-off this weekend. Keilor, Manor Lakes, Sunbury and Caroline Springs will all be involved in the inaugural finals series.

Keilor, the flag favourites, finished the season undefeated and will go head-to-head with Manor Lakes and the team from Town Centre Oval, Caroline Springs will take on Sunbury.

Seniors women's football has grown dramatically in the past 12 months. With the rise of the AFL Women's competition, more and more women and young girls are deciding to play footy. It's been fantastic to see the game grow so rapidly in the west.

More WRFL clubs are expected to field senior women's sides in 2018, with Spotswood and Laverton already doing some work in attracting players to their respective clubs.

The Werribee Football Club have been a strong supporter of the girls competition this season. The VFL club is the sponsor of the Under-12, 15 and 18 competitions.

Throughout the finals series, a player from each competing side in the finals will be presented with a Werribee Football Club Hard Worker certificate and prize for their efforts.

If you win the certificate on the weekend, be sure to send the details and an image of the winner via email to k.alebakis@wrfl.asn.au

Finally, I would like to encourage you to check out the WRFL Website, WRFL Live Team App and the WRFL's Facebook, Twitter, Instagram and YouTube pages for all the latest news.

The WRFL Footy Show gets posted online each Wednesday, with senior and junior news constantly being updated on our various social media channels throughout the week, so stay tuned.

See you at the footy.

UMPIRES CORNER

DON'T FORGET THE PAST AS WE LOOK TO THE FUTURE

By GRAEME HODGART

Things have changed dramatically over the years in football circles. You just have to look at the AFL today with its national competition, corporate sponsorship, professionalism with its club hierarchy, players, administration and coaching staff and the like.

Not too many people look back and think about its humble beginnings when in 1896, six clubs broke away from the Victorian Football Association and invited two others to join and form the Victorian Football League. Now, as the AFL, certain things continue to change and evolve each season.

The Western Region Football League has certainly seen great changes since it was formed in 1931 when eight teams, including Braybrook and Parkside A and Parkside B, came together to create a new local competition.

For the first 40-odd years the games were officiated with just a single field umpire in charge with the clubs providing boundary umpires and goal umpires. One can just image the opportunities for home-town decisions!

Official boundary umpires and goal umpires in the local competition, then known as the Footscray District Football League, were only introduced in the late 1970's and that was only in the senior grades. The number of umpires would have only totalled about 60 at that time. As the years have progressed more grades were added which meant more umpires in all three disciplines were needed.

Now the WRFL boasts about 350 umpires. Field umpires now cover all games on a Saturday and then filter down to the Under-10s on a Sunday depending on availability. This season field umpires have also officiated in the various girls' games each Sunday.

Boundary umpires and goal umpires are now used in all Saturday games and then on a Sunday are appointed to the Under-17 and Under-15 competitions.

Come the junior grand finals, there will be a crowd of umpires required to oversee each match. Some of the games will have three field umpires, three boundary umpires and two goal umpires, all appointed by the WRFL. Things have definitely changed over the last 86 years.

QUIZ

The field umpire is about to recommence play in the centre after a goal has been scored when he notices that one team has an extra player in the centre square. This player is being attended by a trainer but does not require a stretcher. What happens next?

- (a) The field umpire instructs the player to leave the centre square.
- (b) A free kick is awarded against the injured player.
- (c) A free kick is awarded against the trainer.

The correct answer was (a).

NEW PARTNERSHIP WITH RAWFORM COMPRESSION

THE Western Region Football League is pleased to announce a new partnership with RAWFORM Seamless Compression for the 2017 season.

During training, game day and recovery, players will feel the benefits of RAWFORM Seamless Compression, with overall exceptional support and pressure focused on hips, thighs, groin and rear with improved endurance and recovery.

WRFL Marketing Consultant Peter Harley said he is excited by the partnership which will allow players to purchase compression shorts direct through RAWFORM at a competitive price.

“We think this particular arrangement will work well with this type of garment as it enables individual players and, in the case of juniors, their parents, to order compression shorts online, at a competitive price and have them delivered directly to the players’ home,” he said.

RAWFORM General Manager Simon Hosking said RAWFORM shorts were reliable compression shorts.

“The shorts are the realisation of sports performance apparel we wished existed in the market,” he said.

“We just wanted compression shorts that did what they said they were going to do. Our sales pitch is simply just get people to try the shorts. We’ve tested the shorts from AFL to grassroots level and the feedback is always that they are the best compression shorts they have worn.”

The deal includes discounted products to WRFL players, their families and friends.

“We are passionate about local football, developing future AFL stars and looking after seasoned player’s bodies” Hosking said.
