

**The Reagan Milstein Foundation (RMF) was created in memory of a popular, sports-loving teenager who passed away tragically in July 2010.**

Given Reagan's specific love of football (soccer) and his dedication to assisting those less fortunate, RMF aims to provide footballing opportunities to the youth of various backgrounds, countries and nationalities who would otherwise be financially unable to play.

**Since its launch in November 2010, RMF has already commenced a number of initiatives and programs to help children in Australia, Tonga, Vanuatu, Vietnam, etc...**

These initiatives include sponsoring talented youngsters, providing match balls to various football clubs, collecting second-hand football boots and reconditioning them to be sent to underprivileged children overseas, developing football programs and matches in conjunction with Football Federation Victoria and various Victorian football teams to promote social activity through football, and the list goes on.

For further information or to join the wonderful community of individuals, businesses, football clubs and international delegates already assisting RMF in various ways, please visit the website below.

*Achieving equality and opportunity through football.*
