PPBA Bulls Program

Junior Basketball Development Program

Port Pirie Basketball Association is pleased to run the PPBA Bulls Junior Basketball Development, Saturday mornings from 17th October 2015 and will run during school term 4 2015 and school term 1 2016.

Basketball is an excellent opportunity for kids to get active, it involves throwing, catching, shooting, defending, bouncing. It develops eye hand coordination with players developing all the skills of the game.

Session will start at 9.30 am and run for one hour. It is open to all kids born after 2007 until 2011, kindergarten to grade 3. Parents/ care givers are encouraged to participate but should remain present during the session. Kids and assistants will be covered by PPBA Public Liability, Personal Insurance Cover will be the responsibility of individuals parents/ care givers.

The PPBA Bulls program will be run at the home of Port Pirie Basketball- Donaldson Stadium (adjacent netball courts). Cost will be \$2 for each participant per session.

The PPBA Bulls program will be both a training session as well as playing modified games and will be an excellent spring board into our U10 competition in years to come, so if your child has ever considered playing basketball here's your chance.

Kids will just need to bring a water bottle, shorts and tee shirt and good fitting sports shoes. Canteen facilities will be available.

Training singlets will be available to purchase for \$25. Some sizes are available at the first session.
